Exclusive Catering Rights

The City of Irving has made a substantial and long-term investment in the Irving Convention Center at Las Colinas. The assurance of consistent and high quality delivery of services, as well as catering rights and revenues, are critical to the success of the facility to protect the city's investment.

All catering rights at the Irving Convention Center at Las Colinas are exclusive to Savor/SMG as the authorized representative of the City of Irving. Where ethnic or religious catering may require specialized expertise or authorization, Savor/SMG will identify preferred Kosher and Indian/South Asian in-house caterers. Any event requiring specific special considerations will be reviewed on a case-by-case basis.

As the responsible party for compliance with local, state and national health and life safety regulations on the premises, Savor/SMG will be the exclusive licensed authority for sales of all alcoholic beverages.
