JCTDA Director’s Brief/Social Media Report

The JCTDA Director’s Brief with updates on industry metrics and lodging performance for March was attached to the agenda. Mr. Breedlove noted that the draft budget is being prepared and will be available for review at the May meeting.

Mr. Breedlove noted that the board meeting in May was scheduled for May 20th starting at 12:30 with lunch, catered by Tembo, and a 2-hour meeting to review the draft budget and marketing plans.

Mr. Breedlove updated the status of the JCTDA capital project for the Village Green restrooms. The contractor was not aware during the bidding process that city sewer and water were not available at the building site. A septic system is needed; however, the building site is a wetland. They should have the additional price, if any, in about a month after conducting a study of the problem. There may be a request for more funding. The TDA has funds available and, with the county, could fund a portion of the change order.

Mr. Breedlove showed metrics from Airbnb for Jackson County that show average per night price of an Airbnb (\$320), most popular restaurants, travel insights (63% have traveled less than 300 miles), and traveler cities of origin (#1 Charlotte).

Ms. Nelson reported on the improved metrics in March in various social media platforms, highlighting successful content and upcoming features. Special note that Facebook now has 490,000 followers—almost half a million.
