About the JCTDA

The Jackson County Tourism Development Authority (JCTDA) is a Destination Management Organization responsible for overseeing the use of a 6% room occupancy tax collected from guests staying in accommodations throughout Jackson County. This tax applies to the rental of rooms, lodgings, or accommodations in hotels, motels, inns, tourist camps, and similar establishments that are subject to state sales tax.

Accommodations operated by nonprofit charitable, educational, or religious organizations are exempt from this tax when the facilities are used for their nonprofit purposes.

The JCTDA is governed by a board of nine voting members, all appointed by the Jackson County Board of Commissioners. This quasi-governmental body meets monthly and includes representatives from the local visitor economy, along with ex-officio members.

The room occupancy tax is collected in addition to any state or local sales taxes. It must be collected by all accommodation providers who are required to collect sales tax, including short-term rental operators. The Jackson County Board of Commissioners, under the authority granted by House Bill 96 (2011), initially set the tax rate at 4% through Resolution R12-34. This rate was increased to 6% on October 15, 2024, with the new rate taking effect on July 1, 2025.

No property taxes are used to fund the operations of the Jackson County TDA.

Hotel Occupancy data courtesy: Smith Travel Research, Most current data as of May 19, 2025.

The JCTDA saw a decline in September, 2024 notably due to the last week of the month and Hurricane Helene which impacted visitation. Following Helene, an agressive reopening marketing and scoial media campaign took place stemming losses.

Occupancy rates climb steadily from winter through fall, starting at 34.1% in January and reaching a peak of 74.8% in October. The average occupancy rate for the year is 56.8%.

ADR (Average Daily Rate) follows a similar trend, beginning at \$89.44 in January and rising to \$172.38 in May. Rates stay high throughout the summer and early fall before dropping off toward the end of the year. The average ADR across the year is \$144.13.

RevPAR (Revenue per Available Room) moves in sync with both occupancy and ADR. It starts at \$30.51 in January and climbs to a high of \$123.91 in October, with an average of \$84.46 for the year. The figures represent increased visitation throughout the warmer months and into the fall season.

Jackson County Tourism Development Authority FUND RESERVE POLICY

Jackson County Tourism Development Authority Fund Balance Reserve Policy

Fund Balance Reserve Purpose

The Fund Reserve Policy is created for the following purposes:

- 1. Avoid cash-flow interruptions
- 2. Provide funding for unanticipated, non-recurring, significant expenses that cannot be absorbed with annual revenues and cannot be avoided
- 3. Allow the TDA to sustain operations during unanticipated emergencies

Fund Balance Reserve Establishment

Contributions can be made to the Fund Reserve gradually so as not to disrupt the Occupancy Tax available for TDA use. The Target Balance should be reached no later than 24 months past the creation of this policy.

Reserves

The Fund Reserve Balance will be an amount equivalent to 30% of the current fiscal year's budget. The target fund balance will fluctuate depending on future annual operational budgets.

An additional 8% of the unappropriated fund balance will be reserved and restricted as required by the Local Government Commission for local government entities.

Fund Balance Reserve Use and Replenishment

The Executive Director will determine when use of the Fund Reserve is needed and will present its petition to the Board for evaluation and approval.

Restoring the Fund Reserve Balance to its target level should be a priority. The Board should determine the means and time frame to replenish amounts used from the Fund Reserve.

Date Approved: November 13, 2019

CAPITAL PROJECTS

The Tourism Capital Project Fund (TCPF) is designed to support strategic investments in tourism-related projects that drive visitation, increase spending, and boost the overall economic impact in Jackson County. By providing financial support for sustainable tourism development at the local level, the TCPF helps create and retain jobs, attract out-of-county visitors, and enhance the overall visitor experience. For FY 25–26, the JCTDA has budgeted \$1,000,000 for capital projects.

In FY 24-25, the JCTDA awarded \$750,000 to Jackson County Parks and Recreation for the acquisition of a 17-acre tract along the Jackson County Greenway—supporting the expansion and enhancement of this vital community resource used by both residents and visitors.

Above: Highlighted are two parcels acquired with \$750,000 in TCPF funds provided by the JCTDA to support the expansion of the Jackson County Greenway.

Jackson County Tourism Development Authority CAPITAL PROJECTS

In FY 23-24 the JCTDA provided funding for \$367,757 to the Town of Sylva to assist with an expansion project at Bridge Park in Sylva. Plans include renovations to enhance the existing park area. The town utilized JCTDA TCPF funds to improve stormwater filtration, add 57 parking spaces, create a bioretention system with footbridges, and construct a viewing/fishing platform over Scotts Creek. The renovations will also include an entry arch, flexible spaces for community events and food trucks, updated plantings, and enhanced landscaping. This project aims to increase tourism, boost overnight stays, and provide a better outdoor gathering space for locals and visitors.

Sylva, with its iconic Courthouse perched overlooking the historic downtown, goes all out for the holidays. The courthouse even has mini Christmas trees throughout the lawn to kick the festivities up a notch. There are continuous ways to get into the holiday spirit, like the annual Sylva Christmas Parade featuring marching bands, floats and Santa. Every Thursday in December leading up to Christmas, Downtown Sylva's Shop & Stroll is taking place with seasonal cheer and late-night shopping.

Swap the urban bustle of a big city for a tranquil natural environment in the Appalachian Mountains. Sitting at the crossroads of the Blue Ridge and Great Smoky Mountain ranges, Jackson County is a great summertime destination. It offers dramatic landscapes, comforting Southern fare and family-friendly outdoor adventures — including excellent trout and fly fishing.

During the summer months, temperatures can be cool enough in the morning and evening to escape the intense heat characteristic of many southern destinations. Still, days are warm

VISITOR CENTERS

The JCTDA provides funding to operate the county's visitor centers located in Sylva (left) and Cashiers (right). The Visitor Centers greet thousands of walk-in visitors and tourists, providing information about activities, directions, events, accommodations and restaurants. They answer visitor telephone calls, fulfill Visitor Guide requests and stock kiosks throughout the county and ensure a good experience for visitors before, during and after their visit.

Jackson County Chamber Updates & Plans

- 16,411 Visitors Served
- 15,300 Visitor Guides provided to guests at State Welcome Centers & Asheville Airport
- Over 14,000 individual visitor inquiries fulfilled
- Highway 107 Project: In the early fall of 2024, the Chamber concluded a two-year project as the Highway 107 liaison, visiting impacted businesses numerous times, and disbursing a total of 22 relocation grants. We have assisted many businesses with relocation needs, from new signage to new spaces.
- The Chamber served as the Hurricane Helene grant liaison. We visited repeatedly with every impacted business in Dillsboro. In partnership with the TDA and JCED, we disbursed 28 grants to businesses. We have continued to follow up by sharing additional resources.
- Over the past two years, the Chamber has been part of the statewide Multi Sector Plan On Aging - All Ages, All Stages NC, collaborating monthly with more than 275 individuals and agencies across the state. The implementation of phase one is underway statewide, and now our role will be to serve on the "Strengthening Communities for a Lifetime", to support thriving at all stages and ages in Jackson County.
- The Chamber served on the BLOOM committee over the past 6 months, securing a complementary venue location for the county's inaugural Business & Industry Appreciation Dinner held in March 2025 with 146 business owners in attendance.
- Support for affordable and available childcare: This
 has been an ongoing challenge in our region since the
 closure of seven facilities in WNC in October of 2023.
 The Chamber has partnered with our WCU Leadership
 Team to continue to keep this important topic on law
 makers and leaders minds. In April 2025, we have a

coalition of team members attending the legislative session in Raleigh. Proposed legislation in North Carolina could have significant implications for businesses by increasing workforce participation, particularly among parents, and alleviating childcare-related challenges that affect employee productivity and retention. Senate Bill 593, known as the "Grant Our Kids Care Act," proposes the establishment of a two-year statewide pilot program to provide childcare expansion assistance grants. The initiative aims to support childcare providers employed full-time by licensed programs, facilitating the recruitment and retention of staff necessary to expand childcare availability for children from birth through five years of age. Additionally, a bill has been introduced to ease access to capital for childcare start-ups and another bill aims to streamline childcare regulations. Together, these could create a spark that ignites much-needed growth in childcare businesses.

- Fireworks: After 10 years of the Chamber financially providing the July 4th fireworks display, Jackson County Governmental Unit will be taking over the duty in 2025. The Chamber will continue to be the lead event producer, with responsibility for the band, marketing, set up, and kids activities promo.
- Events: We will continue with Concerts on the Creek, now in its 16th season. This has become a signature event in the county!
- As always we refreshed our space and added new things, such as handmade items and new cabinet lighting. Most recently, we have had the privilege of assisting the TDA with the rollout of branded merchandise for sale. We look forward to our guests' feedback on these items and have enjoyed being part of the process.

Hire and Retain Key Staff

We hired a summer intern to serve as our Communications Specialist through the NC State RuralWorks! Program. This intern is assisting with digital outreach and content creation across platforms. In July 2024, we welcomed a Visitor Center Manager to oversee guest services and daily operations. This role not only strengthens our visitor experience but also supports member retention. We are cultivating an inclusive, mission-driven workplace that emphasizes professional development, flexibility, and a strong sense of purpose in serving our unique mountain community. Additionally, we've prioritized enhancing Visitor Center operations by updating brochure displays and other features designed with the visitor in mind.

Build Membership Base

This year's membership drive focuses on both acquisition and retention. We're leveraging targeted outreach using our new GrowthZone member platform, Chamberhosted events, and improved social media marketing to attract new businesses while re-engaging existing members through personalized check-ins and spotlight opportunities.

Continue GrowthZone Implementation

Our rollout of GrowthZone is well underway. This system improves administrative efficiency and offers a new member portal with enhanced benefits, including a business directory, event promotion tools, and an online payment system. We're also launching new non-dues revenue opportunities through GrowthZone's integrated advertising and sponsorship packages.

Improve Member Communication

We are in the process of implementing a consistent

schedule of email newsletters, timely event reminders, and social media updates across platforms to keep members in the loop. Our summer intern is also helping us build out a content calendar using new brand templates to spotlight members and share important news.

Offer Enhanced Member Benefits

New programming includes expanded Business After Hours, an Intern Appreciation Event, seasonal promotions like Burger Week, our inaugural Kindness Challenge promotes members' Kindness events, and the Leadership Cashiers initiative. We're also developing curated member spotlights to increase visibility and collaborating with other nonprofits to host our 4th Annual Community Volunteer and Resources Expo.

Strengthen Community Partnerships

We are working closely with local businesses, nonprofits, and government agencies, including the TDA, to support shared initiatives like the Visitor & Community Resources Expo and the Thomas Taulbee Kindness Challenge—both designed to foster meaningful community collaboration.

Promote Local Economic Development

By supporting small business growth, offering internship connections through NC State's Rural Works! program, and maintaining a comprehensive community calendar, we help highlight Cashiers as an entrepreneurial, business-friendly destination.

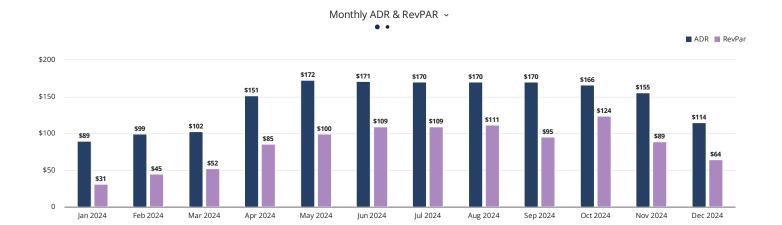

Increase Chamber Visibility

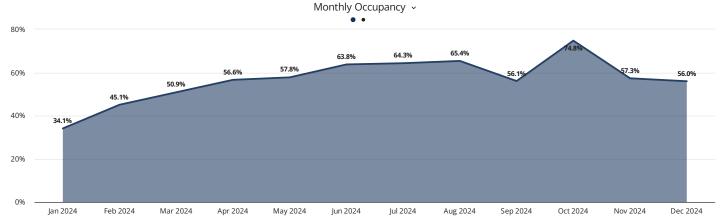

We are boosting our public presence by sponsoring and participating in local events, refreshing our branding and promotional tools (e.g., new Welcome Mats and Visitor Center displays), and enhancing our media outreach to celebrate Chamber initiatives and spotlight member achievements. We are hosting a tent at Groovin' On the Green twice during the summer concert series to boost the Chamber's profile.
