

Trade Show Representation: July 2023 – June 2024

Dear Chamber Members:

The Jackson Hole Chamber of Commerce, with support from the Jackson Hole Travel & Tourism Board, participates in travel trade shows dedicated to promoting responsible and sustainable tourism in our community during the fall, winter, and spring seasons. After input from a group of local sales & marketing experts within the tourism industry, the Jackson Hole Chamber of Commerce will represent Jackson Hole at (number) carefully-selected national and international shows from July 2023 – June 2024. By actively engaging in these events, we are emphasizing our commitment to bolstering responsible tourism and effectively promoting the local businesses and services that make Jackson Hole unique.

We would like to invite you to be represented at these events and thereby receive exposure to over (estimated numbers) quality leads. The Jackson business community receives general representation at all shows, but featured representation directly highlights your business to meeting planners, tour operators, and potential visitors.

Featured representation includes the following benefits:

- High quality photos and detailed descriptions of your business within an 8 ½ x 11 four-page brochure distributed at each tradeshow. Every potential client or guest receives a copy of this brochure, stimulating engagement with your business even after the event.
- A customized rack card dedicated to your business distributed at the International Sportsman Exposition.
- Each FEATURED BUSINESS will receive dedicated exposure from every potential client or guest attending the tradeshow.
- A valuable contact list of potential clients or guests obtained from each show to empower future marketing efforts.
- Individual meetings with our team, as arranged, highlight key takeaways from each show, allowing for a personalized and in-depth post-show review.

To secure your featured representation, please complete the form below and provide a high-resolution logo and photo along with a brief business description for the brochure.

Place your initials next to the tradeshow/sales mission at which you want to be featured. The cost of featured representation is indicated by each show.
