

On March 13th, the Jackson Hole Chamber of Commerce Board of Directors and staff met at Spring Creek Ranch for the annual board retreat. Board members and staff discussed department operations, including improvements, successes, and challenges from the previous year, as well as innovations and long-term goals for the future. With the provided staff overview, your Chamber volunteer board members were able to review and update the current strategic plan to continue to help maintain a sustainable economy, deliver value to our membership, be the voice of economic well-being, and advance community excellence. The newly updated strategic plan will be finalized at the upcoming Chamber staff retreat on April 17th. The Chamber would like to thank the staff of Spring Creek Ranch for their hospitality and looks forward to unveiling the newly finalized strategic plan to membership upon completing the staff retreat.
