SUMMER 2026

FEATURED SUMMER INSTALLATION: 250 PORTRAITS

To commemorate the 250th anniversary of the Declaration of Independence, Governor Mark Gordon established the Wyoming Semiquincentennial Planning Task Force. With grant support from the Wyoming 250th and the Jackson Hole Travel & Tourism Board, Jackson Hole Public Art is pleased to present 250 Portraits, a visual collection of Wyoming's faces, ranging from ages 5 to over 80.

From Jackson to Pinedale, from the Wind River to Cheyenne, these five murals in downtown Jackson put Wyoming's people front and center; their creativity, ingenuity, humor, and depth on full display for anyone who stops to look.

TO JACKSON HOLE, WITH LOVE

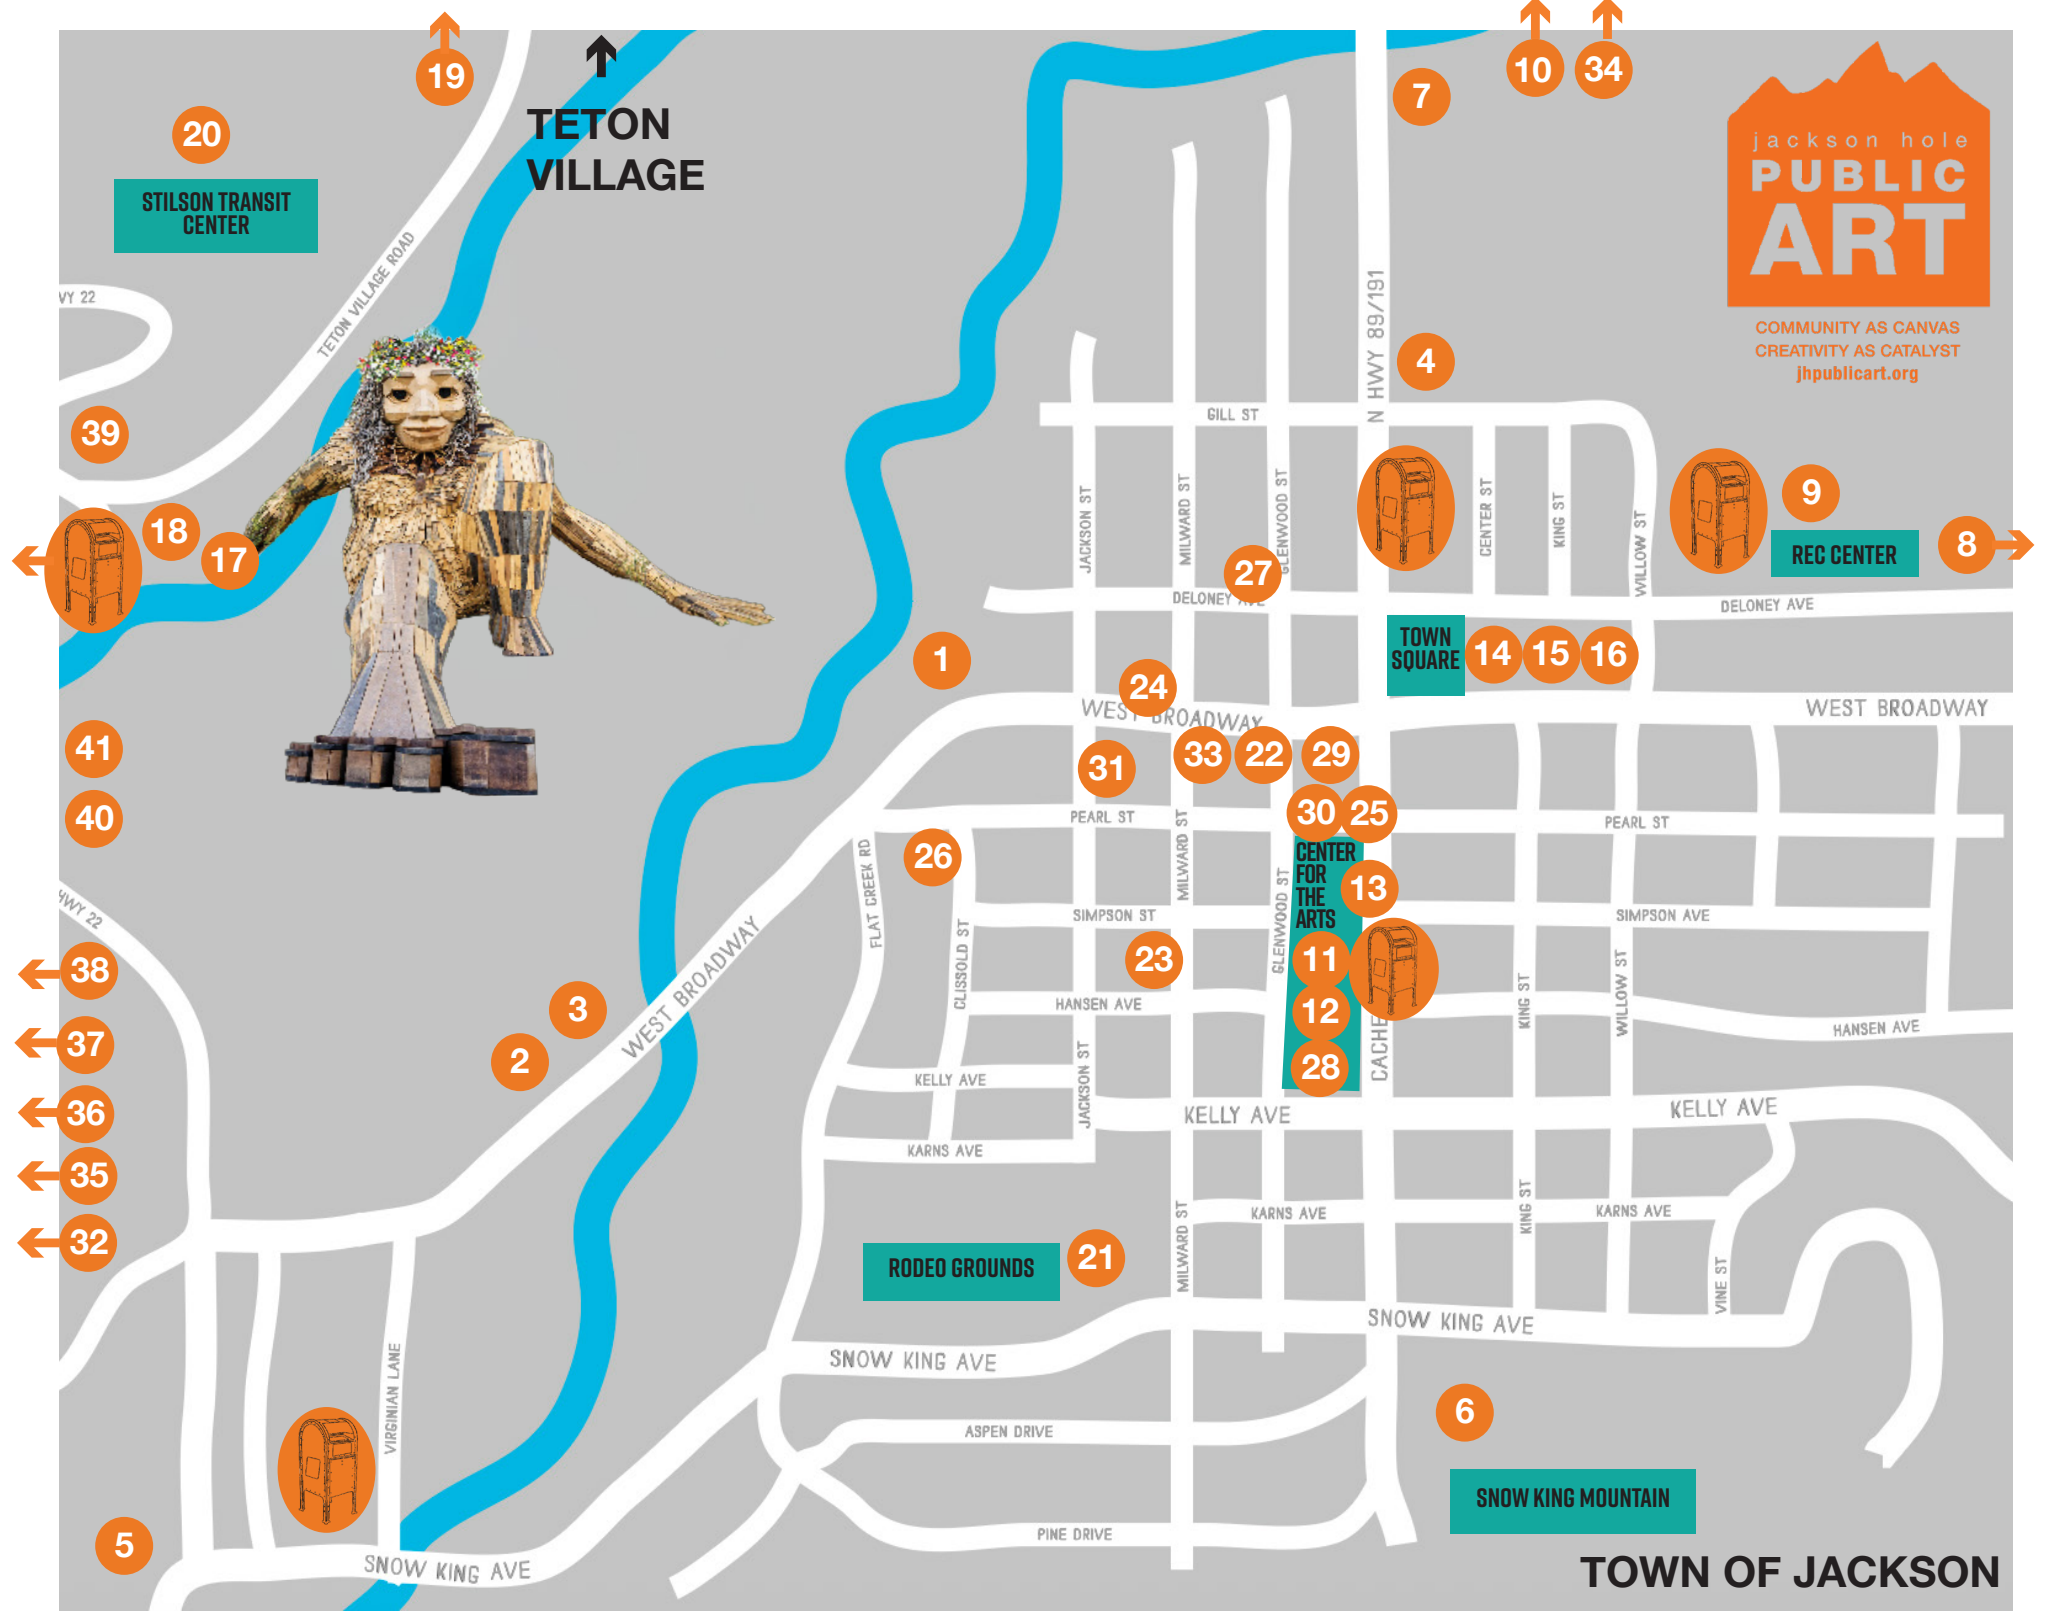

A valley-wide participatory public art project curated by Bronwyn Minton, a celebration of everything we cherish about the place we call home. Visit one of our specially designed artist mailboxes (listed on the map), pick up a postcard, share what you love about Jackson Hole, and drop it back in the mailbox.

Save the Date: October 15, 2026. Join us for a special culmination event at the Center for the Arts, featuring a celebration with Cache Street Co-op.
