

# Proclamation

## Declaring June 2020 as 307 First Month

**WHEREAS**, the Town of Jackson is committed to supporting the success and strength of our local and state economy, and encourages the efforts of our resilient local business owners and their valued employees, and

**WHEREAS**, local businesses are the backbone of our economy and are integral to the growth and longevity of our community, and

**WHEREAS**, the strength of local business is dependent on the support of the community, and

**WHEREAS**, buying from locally owned businesses in our hometown not only supports the employees of that business, the money spent locally is used to hire other support businesses such as suppliers, auto & equipment dealers, and contractors, and

**WHEREAS**, all these factors together create what is called a “multiplier effect”, meaning that each dollar spent in a local store brings as much as \$3.50 into the local economy, and

**WHEREAS**, supporting local business by consciously spending 10% more locally supports critical infrastructure within our communities through the generation of sales tax revenue, making our Wyoming communities a great place to live, work and play.

**NOW, THEREFORE**, I, Pete Muldoon, Mayor of the Town of Jackson do hereby declare **June 2020** to be **307 FIRST** month and encourage everyone to Live, Love, and Buy Wyoming.

**DATED THIS 15TH DAY of JUNE 2020.**
