PAIRED WITH ONE OF OUR HOUSE-MADE BEERS

THESE BOOTS WERE MADE FOR BREWING

Helles Lager • 5.0% ABV

For all the hard working women out there we made this beer for you! Brewed with the Wyoming chapter of the Pink Boots Society which is aims to assist, inspire, and encourage women in the brewing industry. A light German style lager that uses whole leaf Adeena and Zumo hops to give a delightful floral and citrus flavor. One of these day these (Pink) boots are gonna walk all over you.

MAY THE PILS BE WITH YOU

Pilsner • 5.3% ABV

This pilsner has notes of toasted biscuit and earthy tones from noble hops. Perfect for those cantina discussions of "who shot first?". The Pils is strong with this one.

SCARLET BEGONIAS

Red Ale • 5.8% ABV

Malt forward with rich caramel and biscuit flavors makes this ale perfect for drinking in not a chill to the Winter but a nip to the air. She wore scarlet begonias tucked into her curls, I knew right away she was not like other beers.
