

Fernando Ramos, White Buffalo Club

For the past 18 years I have had the pleasure to call Jackson Hole “Mi Casa”. Originally from Mexico City, Mexico. I Immigrated after earning my C.P.A. Degree and my specialty in Corporate Finance from the Technological University of Mexico, I have 18 Years of experience in the Hospitality Industry and having worked at Spring Creek Ranch and Resort Management Group has provided me a great notion of how important is to work and support together our Local businesses. I have enjoyed my involvement in the Jackson Community by helping others basic computer skills at the Teton County Library and serving as Translator for the School District in the past. I am Currently serving as member in the MMES Parent Advisory Committee, the Dual Leadership Committee, the TCSD Collaborative Community Committee, the Parish Council for the Catholic Church and recently I joined forces with the Lodging Tax PAC. I currently serve as General Manager of the White Buffalo Club. My passion for numbers and statistics comes from my love of the game of Baseball. When not in my office I enjoy playing Softball, Tennis, Cycling and most importantly rooting in the stands loudly supporting my kids whether in a Hockey, Soccer or Baseball game or at a Swimming meet around the state. I married my college sweetheart Claudia Rivera in 2005 and together we have raised Tawnya and Fernando Jr. We love to Travel and discover the world together.
