

### **Jason Williams, Jackson Hole Wildlife Safaris, Vice Chair**

Originally from Illinois, Jason moved to Jackson Hole in 1999 to be a guide on the Snake River. This led to ten winters as a snowmobile guide and then to becoming a professional wildlife photographer in 2004. After 7 summers guiding both scenic and whitewater trips, Jason founded Jackson Hole Wildlife Safaris in the spring of 2007. Jason has a B.S. Degree in Geography with a minor in Anthropology from Southern Illinois University and is a Wilderness First Responder, Dive Master, Leave No Trace Master Educator and holds a Level II Avalanche Certification. He is currently on the board of Wyoming Untrapped and has served on the Chamber's marketing committee for the last 2 years. Jason is passionate about business and wildlife conservation. He hopes to contribute to the success of the Jackson Hole business community while protecting the wildlife and wild places we all enjoy. To let off steam Jason enjoys hiking, skiing, climbing, shark diving and sailing.
