JAMAICA ENDS COVID PRE-TESTING PROTOCOL

Effective April 16, 2022, travellers to Jamaica are no longer required to present a negative Covid-19 test result to board flights to the destination. All that is required is a valid passport and onward or return airline ticket.

Travellers to Jamaica are encouraged to fill out their Customs & Immigration (C5) forms electronically, ahead of arrival on-Island. You may find the form at the website: enterjamaica.com.
