ROSE HALL GREAT HOUSE

DUNN'S RIVER FALLS

When the explorer Christopher Columbus described Jamaica as the fairest Island he had ever seen, he set the stage for countless millions of visitors, who have since been enchanted and captivated by its natural beauty and charm. Jamaica has something for everyone. It is a country teeming with life and offering a diversity of product and experiences, unmatched by any other Caribbean Island!

Whether your port of call is historic Falmouth; colourful Ocho Rios; complete Montego Bay; lush Port Antonio or energetic Kingston; our Island offers an exciting menu of special activities; excursions and tours organized to include each member of the family. More than 150 licensed attractions and tours await you on-shore. From rum tours to waterfalls, to exhilarating bobsled and canopy zip lines; garden tours and working fruit-filled estate tours, or just relaxing on one of our white-sand beaches. There is so much to see and do!

You know how special Jamaica is when you see the colour of the Caribbean Sea. At times it can be described as a bright turquoise and shading off into the deepest blue. But wait for our sunsets, which are a range of colours from purple to pale yellow, only to be matched by the bougainvillea and hibiscus that often line our roadways. Our seas are calm, the breeze soft and perfumed with an array of tropical aroma, waiting to greet the visiting cruise line passenger.

The Jamaican port of call experience is a unique blend of adventure and delight - one that will remain in your memory long after you have left our shores.

This is what makes Jamaica such an ideal cruise destination. One that's conveniently located on the main shipping routes of the Western Caribbean. It's easily accessible from all major North American home ports, as part of a leisurely seven day itinerary or longer.

And no experience of Jamaica would be complete without tasting the Island's often fiery cuisine; exploring our abundant flora & fauna; or listening to our world-acclaimed reggae music, known for its pulsating rhythms and soothing vibes. And don't forget to take a piece of Jamaica home with you, by visiting our artisan's village craft markets and in-bond shopping arcades.

The history and culture of Jamaica provide a source of much fascination. From the relics of swashbuckling buccaneers who made Port Royal their favourite haunt, to stories of great battles & hidden treasure. Unrequited love at Lover's Leap; inspiration for great novels of intrigue & espionage at Golden Eye and the colourful diversity of our friendly people, representing ethnic origins in Africa, Asia, the Middle East and Europe.
