DIVERSE RESORT AREAS

Montego Bay is JAMAICA's tourism capital and second largest city with a diverse assortment of beachfront hotels ranging from charming boutique properties to bigger convention and luxury resorts all conveniently close to the Sangster International Airport (MBJ) which connects to the United Kingdom, the United States, Europe, and Canada. In addition to its beautiful beaches, Montego Bay is backed by picture perfect mountains.

The area is affectionately called "MoBay" and is certain to keep your clients engaged with a plethora of attractions like the Hip Strip, river rafting, and great houses. If you have clients who enjoy golfing, look no further than the pristine world-class courses the area has to offer. Whether your clients love shopping, enjoying authentic Jamaican food, or going on epic eco-adventures, MoBay has you covered.

Your bigger events and conferences can exceed all expectations at the state-of-the-art Montego Bay Convention Centre that boasts approximately 139,302 square feet of meeting and exhibition space. You can also consider taking a small company retreat or large convention to the city that is known for exceeding your highest expectations, provided by a variety of destination management companies (DMC) all eager to deliver amazing programs that will certainly "WOW" your clients.

South Coast offers visitors an escape from the fast-pace with a step into nature and tranquility. An under two-hour drive from the Sangster International Airport (MBJ) at Montego Bay takes your guests through the beautiful tropical countryside with breathtaking views.

South Coast is the perfect place for nature lovers. Your clients can spend the day enjoying breathtaking views of a virtually untouched paradise. They'll stay busy with natural wonders like the Black River. They might even spot a crocodile! If the beach is more your group's speed, be sure to check out Treasure Beach. On this beautiful stretch of sand, you can rest and take in the peaceful quiet. To show your guests the local scene, check out a private lunch or dinner on the beach where you can experience freshly caught seafood cooked with Jamaican spices.

South Coast, with its beauty unblemished and natural wonders of flora and fauna, extends a warm invitation to you and your clients looking to do an off-the-beaten path program.

Negril is the "capital of casual." This laid-back attitude gives the area a charming reputation that makes it the perfect place for groups to form deeper connections. Sitting on the western tip of JAMAICA, and a quick 45 minutes from the Sangster International Airport (MBJ), the easy pace of life in Negril is the perfect balance to a productive trip.

However, despite its relaxing atmosphere, Negril has plenty of activities to keep guests busy. No matter the interest, there's something for everyone—from watersports and ATV rides to coral reef diving and luxury dining.

One of the location's biggest attractions is Negril's Seven Mile Beach, where the water is always a strikingly clear crystal blue. If your guests are feeling more adventurous, we suggest taking them to Negril Cliffs to watch divers practice some of their spectacular jumps. This area combines relaxation and adventure which makes it the perfect place for your client to push themselves to new heights.

This captivating resort town was developed around a crescent-shaped beach and is surrounded by majestic mountains and waterfalls. It will appeal to nature lovers with its abundance of natural attractions like the famous Dunn's River Falls or James Bond Beach where Ian Fleming brought 007, the world's most famous spy, to life. Not too far away is Nine Mile, the birthplace of Jamaican legend Bob Marley who helped make reggae music a worldwide phenomenon.

Ocho Rios provides you with an amazing playground for a variety of programs that will help any team create deeper bonds through engaging meetings and thoughtful activities on the island. It can give you the perfect environment to participate in zip line tours, try scuba diving, visit waterfalls, or attend an endless array of events.

It is the right place to take clients sailing down the winding Rio Grande on a bamboo raft or to have them discover secluded, peaceful areas like Frenchman's Cove Beach.

Frenchman's Cove Beach is one of JAMAICA's most recognized attractions. With its bright white sand beach, it is a must-visit for guests looking to relax by the tranquil turquoise waters. After spending the afternoon in the sun, treat your clients to the world famous Jamaican jerk chicken. There's a reason this place was described by many as heaven on earth.

PORT ANTONIO

KINGSTON

Kingston is the capital city and is the heartbeat of JAMAICA. It is a busy metropolis and a cultural hub for the island. Kingston is a UNESCO Creative City of Music as well as home to some of the world's most influential art, nature, and history.

Once your meetings are completed, Kingston is where your guests can be immersed in JAMAICA's culture. Here your clients can visit and tour the National Gallery of Jamaica then walk through streets that are lined with very intricate and highly sophisticated murals.

Visiting the Bob Marley Museum is a rite of passage in Kingston. Marley is a global music icon, known for his reggae style. Marley originally hailed from JAMAICA and the museum, where he once lived, is still owned by his family. The museum is also located in close proximity to Devon House and the beautiful Hope Botanical Gardens.

If your guests want to explore Kingston-based nature, be sure to take them on a gorgeous hike in the Blue and John Crow Mountains, a UNESCO World Heritage Site. On a clear day, they might even see the south coast of Cuba from the summit! After a challenging hike, you can top off your day with a well-deserved visit to one of the local spas where clients can enjoy a one-of-a-kind luxury experience.

ATMs

Most Jamaican ATMs (called ABMs) accept international bank cards with Visa, MasterCard, Cirrus or Plus logos.

BUSES

The local bus service provides an inexpensive way to travel, though it may provide an unusual experience for many visitors, as bus stands are rarely marked and vehicles do not follow strict schedules. Some resorts offer bus excursions to popular sites.

The Knutsford Express is a privately owned bus service that offers scheduled transportation between the various resort cities and towns via air conditioned vehicles with Wi-Fi included.

CLIMATE

JAMAICA enjoys a tropical climate, characterised by high temperatures and humid conditions year-round. Average temperature ranges from 66 degrees Fahrenheit (19 degrees Celsius) to 99 degrees Fahrenheit (32 degrees Celsius). Though it’s known for warmth and sunshine, the island sees two rainy seasons from May to June and September to October. Also, hurricanes may pass over the island primarily from June to October. If it rains during your stay, don’t worry. Most times, the short tropical showers provide a welcome break from the afternoon heat.

COMMUNICATIONS

JAMAICA is well connected to the rest of the world. Direct international telephone service operates in all areas, 24 hours a day, and telephone operators will gladly facilitate collect, third-party or credit card calls. E-mail and Internet access is available too, usually at hotels and parish libraries, but also at local Internet cafés. Three daily newspapers and five weekend newspapers will keep you in the know. Some hotels and gift shops receive international editions.

CREDIT CARDS

Major credit cards such as Visa, MasterCard and American Express are accepted throughout the island.

CURRENCY

The currency of JAMAICA is the JAMAICA Dollar, however, the U.S. Dollar is also accepted as legal tender for goods and services. Licensed “cambio” (exchange) centres and commercial banks are accessible in all resort areas. Official currency exchange rates vary daily, so it’s advisable to shop around for the best rate.

CUSTOMS AND DUTY

United States residents who have been out of the country for 48 hours or more may take home items valued up to US\$800 once every 31 days without incurring duty. Adults may include 200 cigarettes, 100 non-Cuban cigars and one litre of alcohol. A second litre of alcohol is allowed duty-free if it is produced by a Caribbean Basin country. Family members who return home together may combine their personal exemptions on a joint declaration.

Visit [www.visitjamaica.com](#) for more information.

Canadian residents who have been out of the country for more than 48 hours can claim up to CAN\$300 worth of goods without paying duty if they carry the goods with them. After each absence of seven days or more, they can claim up to CAN\$800 worth of goods without duty. Except for tobacco products and alcohol, it is possible to send goods through mail but must enter Canada with tobacco and alcohol. Visit [here](#) for more information.

United Kingdom residents 17 or older may take home duty-free two litres of table wine and one litre of spirits or liquor, or two litres of fortified or sparkling wine or other liquors; 200 cigarettes or 100 cigarillos, or 50 cigars or 250 g of tobacco; 60 cc of perfume and 250 cc of eau de toilette; plus other goods worth up to £145. Travellers cannot group their allowances. Visit [here](#) for more information.

DEPARTURE TAX

There is a \$35 departure tax that must be paid upon departure. However, airlines include this tax in their airline tickets.

DRIVING

In JAMAICA, drivers must keep to the left, although some flexibility is required to avoid collisions with pedestrians and domestic animals. The speed limit is 30 mph (50 kmph) in urban areas and 50 mph (80 kmph) on highways. Given the mountainous terrain, rural roads are often winding, bumpy and narrow. Tourists can rent cars in most major towns and cities, and, usually, clients must be no less than 25 years old in order to rent. The driver and all passengers are required to wear safety belts, and children under 3 years old must travel in infant carriers or child safety seats. All drivers are required to carry a valid licence. JAMAICA recognizes valid international driver's licences, but visitors from North America may use their country's licence for up to three months per visit, and United Kingdom residents may use theirs for up to one year.

DRUGS

In JAMAICA, the use, sale and possession of drugs such as cocaine, crack, ecstasy, heroin and any other controlled substance is illegal. Offenders are subject to severe punishment, including arrest, fines and/or imprisonment. The possession of up to two ounces of ganja (marijuana) has been decriminalised, but it is still not legal.

ELECTRICITY

The electrical supply in JAMAICA is 110 volts/50 cycles standard and electrical appliances use plugs that are two-pronged and flat (as in the United States and Canada). Bring along any adaptors or convertors you might need. Most hotels will provide you with hair dryers, alarm clocks, radios and clothing irons, but make sure this is validated before travelling.

GETTING AROUND

Both JUTA and JCAL taxi operators are based at the hotels and these taxis are the most convenient mode of transportation but they are not always the cheapest. All registered taxis in JAMAICA are required by law to have red "PPV" licence plates. You are advised not to board any taxi operating illegally. Although taxis have metres, drivers will instead negotiate a fare with you. It is best to discuss this fare before boarding the taxi. The fastest and most economical taxis are those used by locals, called "route taxis"—cars that drive a designated course and pick up/drop off passengers at will. These are shared cabs that will usually pack several people willing to go on the same route.

NOTE: Some taxis are compensated separately by businesses in order to bring customers to their doors. If you request a driver take you to a specific location, and the driver attempts to persuade you to visit another place, be insistent that they take you where you want to go.

HOLIDAYS

On public holidays, all government agencies, schools and most private businesses are closed, and much of the country celebrates.

- New Year's Day
- Ash Wednesday
- Good Friday
- Easter Monday
- Labour Day
- Emancipation Day
- Independence Day
