

“A TERRIBLE STORM”
160th Battle Reenactment
March 15-16, 2025

Jessica Johnson
Civilian Coordinator

Greetings from Louisville Kentucky! I am currently the civilian coordinator of the Tennessee Valley Battalion and serve on the board of directors for the Civil War Museum of the Western Theater. As the civilian coordinator for the 160th Perryville event I worked closely with state officials and military commanders to create a unique experience for all attendees. I strongly believe that civilian interpretation is a vital part of living history. I am excited to help with the 160th Bentonville and look forward to March!
