The people you will meet along the trail are as special as the craft beverages they create.

From the largest muscadine vineyard in NC, to engineers now brewing beer, to fifth generation moonshiners in a community known as Broadslab...take some time to hear their stories of how they chose the path they are on – bringing unique beverages and experiences to visitors along the Beer, Wine and Shine Trail.

Many stops along the Beer, Wine, and Shine trail are also great places to gather.

Along with the traditional food trucks, live music and trivia nights, you will find meeting facilities at four stops and restaurants at two stops. Gregory Vineyards, Hinnant Vineyards, and Broadslab Distillery also serve as beautiful wedding venues!

We are excited that you have decided to participate in our trail. Please drink responsibly and have a designated driver. Taxis, ubers and limos are available - plan ahead!
