

TRAFFIC IMPACT

Dear Residents,

The IRONMAN Alaska Team would like to thank you in advance for your hospitality during the 2022 IRONMAN Alaska. On Sunday August 7, athletes will visit Juneau to test their physical and mental limits. Over the course of the day, they will complete a 2.4-mile swim in Auke Lake, a 112-mile bike on Glacier Highway, and a 26.2-mile run, in succession. We ask for your cooperation and understanding on race day as you travel around Juneau. We appreciate your support and ask that you proceed with caution, utilize detour routes if able, and allow for additional travel time to your destination. Participants count on you for motivation on race day, so bring friends and cheer them on, or even volunteer! We look forward to a great event and hope to see you out there!

Colleen McDonald - Race Director
