Even further south, **Seedz Brewery and St. Julian Winery** in Union Pier are located minutes from Lake Michigan, making for a wonderful vacation spot in Southwest Michigan. Enjoy a glass of wine or a pint of beer, with your dog by your side, before hitting the beach on your summer vacation.

Just a stone's throw away from Union Pier, visitors can enjoy an array of delicious wood-fired pizzas and craft beer in a relaxed outdoor beer garden at **Haymarket Brewing** in Bridgman. **Transient Artisan Ales**, also in Bridgman, offers innovative craft brews and excitedly welcomes your furry friends.

So, if you and your travel companion are looking for an adventure in area code 269, Journeyman offers up gorgeous architecture at their facility, lots of green space, vibrant flavors, and delicious whiskey, bourbon, and so much more.

With plenty of outdoor seating and a beautiful campus, **Contessa Wine Cellars** in Coloma is a great spot to savor a flight while taking in spectacular views of the orchard from a European-style terrace. **Filkins Vineyards**, also in Coloma, has designated areas for your dogs, so you can enjoy your wine tasting experience with your pooch.

If you are looking for tranquil, relaxing atmospheres with beautiful outdoor views, **Lemon Creek Winery** in Berrien Springs and **Solasta Winery** in Sawyer are perfect spots to unwind with a glass of wine with your best friend by your side.
