

A stylized, graphic illustration of a building facade. The central focus is a large, dark grey sign with a white border, mounted on the side of a reddish-brown building. The sign features the text 'The KALAMAZOO BUILDING' in a bold, yellow, sans-serif font. The word 'The' is smaller and positioned above 'KALAMAZOO'. The building has several windows, some of which are dark, suggesting they are closed or shaded. The background is a solid, bright blue sky. The overall style is reminiscent of mid-century modern graphic design or a stylized photograph.
