Applicant Guide | 2024-2025

Updated: February 2024

NOTE: This guide is a living document which will continue to be updated and refined as the program is implemented.

Program Overview

Tourism Kamloops is committed to elevating Kamloops as an attractive, year-round destination by investing in strategies that focus on off-peak visitation. We are seeking proposals from businesses and organizations who want to develop destination events in Kamloops between October and April.

Program Goals

- Generate incremental visitation and overnight stays in October, November, December, January, February, March & April.
- Develop the destination in off-peak months by creating events that enhance perception, increase awareness, and stimulate advocacy for Kamloops in key markets (social media & word-of-mouth)
- Enhance resident sentiment
- Increase net promoter score

Criteria for Proposed Events

- Event(s) must take place in October, November, December, January, February, March or April
- Event(s) must be inaugural
- Event(s) must take place within 30km of the City of Kamloops
- Event(s) must deliver at least 100 room nights per day of the event
- Event(s) can be ticketed or free but must be accessible to the general public
- Events(s) must integrate and demonstrate IDEA (Inclusion, Diversity, Equity & Accessibility) into their plan
- Tourism Kamloops funds must be allocated to paying for the following:
 - o Talent (ex: Musician, DJ, Comedian, Drag Show, etc.)
 - o Talent travel expenses
 - o Project related permits, fees and other similar charges
 - o Fees related to securing event(s)
- Proposals must demonstrate co-operative or leveraged funds contributing to the overall event budget (who are you working with to make this event happen and what is contribution – financial, in-kind, etc.)

Please Note: This opportunity is open to event producers from within and outside of Kamloops.

Funding

Generally, funding support of up to a maximum of 50% of eligible project expenses or \$25,000*, whichever is greater, may be requested by applicants. The decision to fund all or part of an applicant's request will depend on its fit with the Destination Event Support Fund program priorities and evaluation criteria, as well as the overall demand for funds in the program.

Please Note: Destination Events Support Fund program is a discretionary, non-entitlement program with a limited funding allocation each year. In some instances, a project that meets all program criteria may not be approved for funding as other projects may more effectively meet the criteria. Tourism Kamloops cannot guarantee funding to all applicants, nor can we ensure that the total amount requested by successful applicants will be granted.
