

**BUILDING FAMILY TRADITIONS
IN KAMLOOPS**

Woodward Christmas Tree Farm

WHEN TRAVELING TO KAMLOOPS WE ENCOURAGE YOU TO EXPERIENCE OUR CITY LIKE A LOCAL.

CHRISTMAS TIME IS RICH
WITH TRADITIONS AND
OPPORTUNITIES FOR FAMILIES
FROM NEAR AND FAR TO MAKE
LONG-LASTING MEMORIES.

The Woodward's Christmas Tree Farm is a must-experience destination in Kamloops. The Farm was born out of a desire by John and Debbie Woodward to develop a business that their three boys could be involved in. Ben, Adam and Tim have always been an integral part of the operations and even though they are grown, they make an effort to come home for opening weekend be it with their university buddies to forage for trees or to help Dad run the tractor. "It is something that we have always done together as a family", Debbie explains. "What was magical for us however, as the business unfolded, is that we realized just how much it really touched our visitors as well. It is so gratifying to read the testimonials and hear the stories.

Home to Privato Vineyard and Winery, Debbie says, "We are just in the two best businesses you can be in - wine and Christmas trees—everybody is happy when they come."

You can always count on the amazing hospitality of the Woodward family and the most beautiful Christmas trees around! Every year, since 1999, four generations of Dolsons...and sometimes their dogs, have climbed up behind John's tractor for the wagon ride out to the field for the hunt and then gathered round the fire for hotdogs and shared treats. We wouldn't have it any other way. Here's to another 18 years!

*See you in December,
Chris Dolson*

Every weekend the Farm transforms into a Christmas wonderland making it the perfect way for a visiting family to spend an afternoon away from home. Along with the Woodward's warm hospitality, you can experience:

- Wagon rides
- Bonfires
- Concession with smokies from Gary's Deli
(these are famous in their own right!) www.garyseuropeansausage.ca
- Hot apple cider, hot chocolate and mulled wine
- Wine tastings
- Amazing Christmas decorations
- Photos with Santa & Eats A More Food Truck (opening day)

November 26th is opening day. Bundle up the kids, load up the dog and give the relatives a call... bring a few treats, order up a round of smokies, enjoy the warmth of a hot apple cider, choose your favourite tree and best of all, begin a new family tradition in Kamloops!

DID YOU KNOW?

- A fresh cut pine tree has a shelf life of almost 2 months.
- Douglas and Concolour fir are the most fragrant of the varieties offered at Woodward's.
- It takes 5 – 12 years to grow a 6 foot Christmas tree depending on the variety. Spruce takes the longest to grow.

What an amazing and magical time to visit the "Christmas Tree Patch", as our girls still call it. We've been visiting since 2004 when our girls were 2 and 4 years old. It's a very special Christmas tradition and one we are sure to continue for many more years to come. From the minute we drive through the candy cane gate until the time we finish our snacks, we enjoy every moment. It's like visiting family. Thank you for the treasured memories.
