

Four miles west of historic Lawrence, Kansas, in the Osage Questas woodlands lays Clinton State Park. The 1,500-acre park is located on the northern shore Clinton Reservoir. Boat ramps and courtesy docks allow easy access to the reservoir, known for clear water and good fishing. Anglers, boaters and campers enjoy the Clinton Lake marina. It offers boat slips, retail sales, and equipment rentals.

Whitetail deer, turkey, waterfowl, and numerous species of songbirds inhabit the carefully managed areas. During the spring and fall, bald eagles frequent the shoreline and nest at the reservoir.

In spring, native wildflowers are easily seen from a self-guided nature trail. Other trails throughout the park provide mountain biking, hiking, and even cross-country skiing.

Activities such as picnicking, swimming, archery practice at the range or camping on one of the nearly 500 campsites in the park are available. The park also offers over 200 RV sites with water and electricity. Nearby restrooms and showers add a touch of comfort to the park. Clean facilities and friendly, helpful staff ensure something for everyone.

VEHICLE PERMITS:

Each motor vehicle must display a valid vehicle permit on the lower inside corner of the front windshield on the driver's side. Daily vehicle permits expire at 2:00 p.m. the day following the purchase. Vehicle passes are not included in the campsite reservations, but are required to enter the park. Daily vehicle passes are \$5/vehicle/day, Annual Vehicle Passes are available for \$25/vehicle.

CAMPING PERMITS:

Reservations taken April 1st to October 31st. Reservations can be made in person at either the office or with our camp hosts during hours of operations, online at www.ReserveAmerica.com with the destination of Clinton State Park, or by using the free mobile app "Campit KS". Online reservations need to be made 48 hours in advance of check in date.
