

## **WARNING SIGNAGE SPECIFICATIONS**

For agritourism operations to be covered by the limited liability afforded in Senate Bill 334 you must comply with ALL of the following:

- **Provide your own signage – you are responsible for manufacturing and posting of your sign.**
- Warning signage must be **prominently** posted at each agritourism location.
- The sign language must read:

### **WARNING**

**Under Kansas law, there is no liability for an injury or death of a participant in a registered agritourism activity conducted at this registered agritourism location if such injury or death results from the inherent risks of such agritourism activity. Inherent risks of agritourism activities include, but shall not be limited to, the potential of you as a participant to act in a negligent manner that may contribute to your injury or death and the potential of another participant to act in a negligent manner that may contribute to your injury or death. You are assuming the risk of participating in this registered agritourism activity.**

- The letters on the signage must be a minimum of one inch in height and printed in black ink.
- The same wording must be included in every written contract an agritourism operation enters into.
- Upon request you must provide to participants a written description of the registered agritourism activities.
- **THE AGRITOURISM PROMOTION ACT DOES NOT LIMIT THE LIABILITY OF WILLFUL OR WANTON CONDUCT BY ANY AGRITOURISM OPERATIONS THAT RESULT IN INJURY TO PARTICIPANTS.**
