

The Mr. and Mrs. F.L. Schlagle Library, in beautiful Wyandotte County Lake Park, is maintained and managed through a unique partnership between the Parks and Recreation Department of the Unified Government of Wyandotte County / Kansas City Kansas and the Kansas City Kansas Public Library.

This unique library offers an outdoor learning lab for scientific, educational, cultural and recreational opportunities to visitors and students of all ages. The 5,000 square foot building contains a multi-purpose classroom for indoor student education. Programs for elementary through high school groups focus on earth, life and biological sciences. Nature themed activities for the whole family such as bird watching, plant and wildlife identification and trail hikes are offered on weekends. Wildlife is abundant and always out for guests to see.
