MICHEAL BUFFETT

CHEF
START FRESH

With over 20 years of industry experience, Michael Buffett is the creator of the award-winning social enterprise—Start Fresh and the CAFE program.

The primary purpose of the Culinary Arts and Farm Education (CAFE) program is to provide free educational programming to people struggling with addiction, mental health, and other social barriers.

Additionally, offering cooking and farming classes to diverse community members, including youth at risk and low-income families, building relevant life skills while creating a therapeutic learning environment.
