**TRAIL PERMITS REQUIRED to ride these trails.**

Trail permits are available from advertisers with a RED number in their ad.

Our advertisers provide generous support to help keep these trails operational. Please support them in any way possible.

**NOTE: This is not to be used as an ORV map.** The trails are open to snowmobiling ONLY from December 1st through March 31st. Many trails cross private lands. Please respect these land owners who have given permission for snowmobiling. Riding these trails with ORV's will likely result in closure to snowmobiling. In addition to that great loss, ORV's will be subject to trespassing laws.

**Emergency Trail Locator Signs**

Signs are approximately every half mile on the trail system. In case of emergency, give 911 operator information from the nearest sign to help reduce response time.
