

# KEWEENAW

Among the forests and shorelines of the Keweenaw Peninsula are ruins whispering the secrets of a bygone mining era.

## EXPLORE MICHIGAN'S ONLY NATIONAL HISTORICAL PARK

The Keweenaw National Historical Park includes 20+ heritage sites that bring the Keweenaw's copper mining history to life.

## HERE IS WHERE THE LARGEST FRESH WATERS ON EARTH CREATE A PENINSULA CALLED THE KEWEENAW.

BEACHES RANGE FROM WAVE-TUMBLED STONY SHORELINES TO SOFT SAND STRETCHING TO THE HORIZON.

## NO WAIT LINES— JUST SHORELINES

With almost 125 miles of shoreline and 15 public beaches, you're always a short ride from the cool, clear waters of Lake Superior.

## GO ON A HUNT

Lounge for hours as the sun warms your skin or roam the shoals after a thunderstorm to hunt for precious agates and other unique minerals churned up by Superior's waves.

SEEKING A TRUE BACKCOUNTRY EXPERIENCE? FIND IT AT ISLE ROYALE NATIONAL PARK. ↗

## READY FOR A RIDE?

The least visited of the United States' national parks, Isle Royale is an island only accessible by boat or seaplane.

## FREE LIGHT SHOW

Isle Royale offers incredible hiking, fishing, camping, and paddling opportunities to its visitors. And because of its almost complete absence of light pollution, the park makes for one of the best locations to observe the majestic Northern Lights and truly dark skies.
