These are your Trails!!

Please respect the land owners and ride responsibly.

Welcome to the Fabulous Keweenaw!

We enjoy roaming through the woods of this area and consider ourselves fortunate in that the land owners encourage the multiple use policy of land management. In return we ask that your appreciation for this privilege be shown in carrying out litter or placing it in refuse barrels and being responsible drivers.

Most of our streams are crystal clear - let's keep them that way!

Many of the old logging roads and unplowed county roads make interesting trails. We suggest that the guidelines be followed to protect our natural resources and make your visit more enjoyable.

- ✓ Keep out of active logging areas
- ✓ Stay off closed roads / trails
- ✓ Use only designated, signed trails
- ✓ Don't be a hot rodder!
- ✓ Be an expert, courteous & safe driver
- ✓ Place all refuse in proper trash containers

FOR YOUR SAFETY

Trails are subject to detour at any time to avoid active logging. Follow detour signs and stay on trails.
