WHAT JOY THEY BRING To Every Home

as with joyous hearts and smiling faces they romp and play—when in health—and how conducive to health the games in which they indulge, the outdoor life they enjoy, the cleanly, regular habits they should be taught to form and the wholesome diet of which they should partake. How tenderly their health should be preserved, not by constant medication, but by careful avoidance of every medicine of an injurious or objectionable nature, and if at any time a remedial agent is required, to assist nature, only those of known excellence should be used; remedies which are pure and wholesome and truly beneficial in effect, like the pleasant laxative remedy. Syrup of Figs, manufactured by the California Fig Syrup Co. Syrup of Figs has come into general favor in many millions of well informed families, whose estimate of its quality and excellence is based upon personal knowledge and use.

Syrup of Figs has also met with the approval of physicians generally, because they know it is wholesome, simple and genile in its action. We inform all reputable physicians as to the medicinal principles of Syrup of Figs, obtained, by an original method, from certain plants known to them to act most beneficially and presented in an agreeable syrup in which the wholesome Californian blue figs are used to promote the pleasant taste; therefore it, is not a secret remedy and hence we are free to refer to all well informed physicians, who do not approve of patent medicines and never favor indiscriminate self-medication.

Please to remember and teach your children also that the genuine Syrup of Figs always has the full name of the Coripany—California Fig Syrup Co.—plainly printed on the front of every package and that it is for sale in bottley of one size only. If any dealer offers any other than the regular Fifty cent size, or having printed thereon the name of any other company, do not accept it. If you fall to get the genuine you will not get its beneficial for the parents and the children, whenever a laxative remedy is required.

DARING BUT STYLL

Certain daring reds have been used by several of the great Paris makers and the resulting costumes are distinctly oble of a trifle too voyant for general or frequent wear. One such ostume is an exquisite tomato red broadcloth of beautiful quality is pictured

here.

The plain skirt is circular in cut and broadly flaring on the ground all around. The smart little Eton jacket is trimmed around bottom and on sleeves with heavy slik braid in exactly the shade of the cloth, and the little vest is blank velvet. To be worn with this is a hat of tomato red soft felt-trimmed in velvet and plumes of three shades of red.

The risa mortals will have magnificent scope for mit takes this season, and we shall see quere caricatures, but on the other hand, we shall see women of teate more luxuriously and exquisitely gowned than ever before. Our model is a delightful suggestion in brown. The skirt is made with pleese of cloth set on in overskirt fashion and the jaunty little bolero is effectively trimmed with folds of the material and velvet. A deep girdle of brown velvet fastens at side with two gold buttons.

ATARAMA CASE IS REVERSED AND REMANDED.

IS MOST BEAUTIF

You ask me who is most beautiful? I answer, it is THE WOMAN WHO HAS NEVER SUFFERED PAIN.

Pain, with its distorting fingers passed over woman's face, will soon steal away her great treasure—Beauty.

Have you ever seen a person you knew who had passed through some terrible experience of pain-a fire, a railroad wreck?

Did you notice the years—ten, twenty or more—that seemed to have been added to that person's face; the hair whitened perhaps in a single night?

In no way will so strongly be brought home to you the fleeting character of beauty.

It is not wrong for a woman to wish to be beautiful. It is a part of her NATURE, implanted in her at birth, and therefore must be right.

Now I want you to understand that the pain from which you, as a woman, suffer every month will act in just the same way with you as (only, perhaps, more gradually than) a railroad wreck.

It will steal your beauty. It will undermine your health.

Your grinding headache, backache, dull aching, dragging pains, dizziness, etc.—Y surely do not think these are NATURAL?

And if not natural, of course they can be relieved or cured?

Yes. Take Wine of Cardui.
It is the remedy for women's ills, for women's pain; the renovator of woman's health, the preserver of her beautyl

What more need be said? "But is it all TRUE?" you ask.

So true, that for over 70 years Wine of Cardui has been one of the most popular of all medicines for women. Its use has grown continuously and steadily, and in that time over a million women have found in Cardui relief and cure.

The explanation is not far to seek.

It is a woman's medicine. It is prepared scientifically to combat woman's ills, to cure her pains. It is not for men. It is not claimed to be a general remedy for all diseases. It is composed of choice, curative plant ingredients, which are adapted to soothe, cure and build up the strength of "MY DOCTORS

EVER HELD IN THE CITY OF KNOXVILLE

By the Big Fire of November Eighteenth, Smith's magnificent stock of Furniture, Carpets, Rugs and Mattings was damaged to the extent of THIRTY-FIVE HUNDRED DOLLARS. The loss extended to EVERY FLOOR and to EVERY DEPARTMENT, and while in some places, some of the stock was completely destroyed, the greater damage was distributed through the store, and the different articles were only SLIGHTLY HURT. The result is that we have many pieces that are JUST AS GOOD AS NEW and you would NEVER KNOW that they were injured unless told so by us. As our loss is so general over the store, and in order to SWEEP OUT every damaged piece, we will make a price on them that will make you buy QUICK.

Pick Out Any Article You Want

Make a Price That Will Sell It

We once thought of going through the entire stock and marking down EACH PIECE but we finally decided on the BETTER PLAN of allowing you to choose ANY ARTICLE YOU DESIRED and we will then MAKE A PRICE THAT YOU CANNOT RESIST.

ALL UNINJURED GOOD INCLUDED

In order to make this Big FIRE Sale still more exciting, we have decided to make a SPECIAL PRIUS on EVERY LINE OF GOODS IN THE HOUSE, and goods that you would have had to pay REGULAR prices for a week or ten days ago, you can now buy at KIRE Prices.

An Unparalleled Opportunity to Buy Christmas Gifts

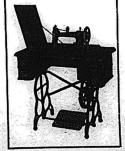

Never before have Holiday Shoppers had such a SPLEMDIO OPPORTUNITY to buy such sensible AND attractive Christmas Gifts at SPECIAL PRICES. On many articles you can save fully ONE THIRD, on some even greater.

Holiday Goods Will Be Held for Future Delivery

While it will inconvenience us some, we will gladly hold any article that you BUY NOW, for future delivery at Christmas time. If you haven't the money to pay for them now, we will make that ALL RIGHT, for we want to MOVE THESE GOODS.

EARLY BUYERS WILL GET THE BARGAINS

If you intend to come to this Sale, we want to give you a tip: COME EARLY, for we are going to reward the early buyers with the BIGGEST BARGAINS. There is enough Furniture and Furnishings in our store to supply the whole city and this Sale will last for many days but we want QUICK ACTION and if SLASHING PRIOES will get it, there will be some fast selling here this week.
