BMA focuses on quality design and responsive customer service with an emphasis on sustainable design and cutting-edge technologies like VR. BMA has been recognized as an Outstanding Firm for emerging professionals by AIA Tennessee.

Position Description – Architect Intern

Salary Range: Competitive pay based on qualifications & experience.

Schedule: 40 hours per week, M-F, May-August 2022. No overtime expected, but may be granted on case-by-case basis.

Objective: Learn hands-on through immersion and integration into the BarberMcMurry studio. Support licensed architects and interior designers through meaningful work on multiple projects, including drafting, modeling, graphic design, construction documents, client interactions and office management. Gain experience in Revit, BIM, Enscape, and Adobe Creative Suite.

Essential Functions: Assists in the preparation of schematic design, design development and construction documents. Assists in LEED and WELL accreditation as well as other sustainable design initiatives and processes. Assists with office management duties. Other duties as assigned.

Required Competencies: Collaborative and proactive spirit; desire to learn; love and appreciation for design; general knowledge of the process of design; general knowledge of construction techniques and related engineering principles; working knowledge of Microsoft Office Suite and general computer competency; knowledge in Adobe Creative Suite, Revit, AutoCAD and/or SketchUp is a plus.

Required Education: Actively enrolled in an accredited architecture, interior design or planning program at a local or regional college or university. Additional qualifications:

- Architecture & Landscape Architecture — 3rd, 4th or 5th year students in a four-year or Masters accredited program
- Interior Design — 3rd or 4th year students in a four-year accredited program
- Construction Management or Sustainable Design — Graduates or transfer students from an accredited two-year program, or 3rd or 4th year students in an accredited four-year program

Required Experience: None.

Work Environment: BarberMcMurry is located in vibrant downtown Knoxville in the historic Arnstein building on Market Square. Founded in 1915, BarberMcMurry has a legacy of designing beautiful, functional projects that stand the test of time.

Physical Demands & Accessibility: This position requires physical mobility including sitting, standing, lifting and other light-to-moderate activity movements. This position requires sight and hearing.

Travel: Local or regional travel to job sites may be required.
