NORTHEASTERN PENNSYLVANIA

A POPULAR TREND
IN LACKAWANNA COUNTY IS
COMBINING OLD WITH NEW TO
CREATE UNIQUE EXPERIENCES. WE
HAVE BROUGHT TOGETHER A PIECE
OF OUR HISTORY WITH A PIECE
OF OUR FUTURE TO CREATE AN
UNFORGETTABLE TRIP FOR ALL AGES!

- ❖ We love our **National Park at Steamtown National Historic Site** which explains our county's history in the rail industry and gives an up-close look at the restoration of train cars.
- ❖ Staying or having lunch at the **Radisson** with your group? Ask Steamtown how your group can get a train ride from the original train-station-turned-hotel to the park!
- ❖ Right next to Steamtown is the **Electric City Trolley Museum**, home to an incredible collection of refurbished trolley cars and the origin of Scranton's nickname, the Electric City. See the latest addition to the museum and a gift to Lackawanna County, the John Oliver train set.
- ❖ Book a trolley excursion to **PNC Field** to watch the **Scranton/Wilkes-Barre Railriders**, the AAA affiliate of the New York Yankees! Your ticket includes transportation to the game, a \$2.00 lunch voucher, and admission to the game with a return ride back to Downtown Scranton.
