

# SPORTS & BREWS

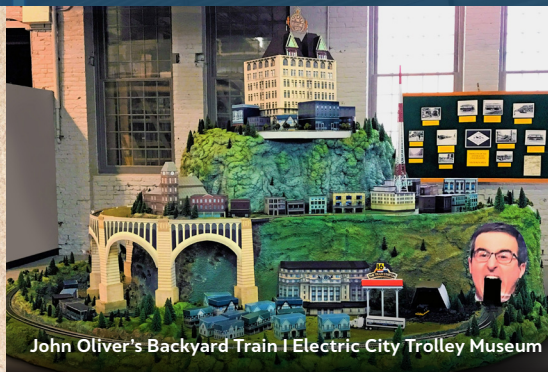

## Lackawanna County

### NORTHEASTERN PENNSYLVANIA

**WE LOVE** THE COMBINATION OF CRAFT BEERS, GOOD FOOD, AND SPORTS, BUT WE ALSO LIKE TO THROW A LITTLE HISTORY IN THE MIX TO MAKE IT EVEN MORE UNIQUE TO LACKAWANNA COUNTY.

- ❖ Brunch is always the perfect way to start your sports day. With over 500 bottles and 28 rotating drafts, **Backyard Ale House** offers not only endless craft beer selections but also comfort food such as Pot Roast Hash and Kielbasa omelets.
- ❖ After your fix of Bloody Marys and Mimosas, head over to the **Electric City Trolley Museum** for a look at the new John Oliver train display and the incredible trolley history of Scranton.
- ❖ Book your trolley ticket for an excursion to **PNC Field** for a day game with the **Scranton/Wilkes-Barre Railriders**, the AAA affiliate of the New York Yankees. If you're still hungry, **PNC Field** has a wide selection of culinary options including **Revello's Pizza**, an Old Forge Style Pizza famous in the area.
- ◆ **Added bonus:** Take a tour of **PNC Field** before the game to learn how the field is maintained. You can also get a behind the scenes look at how the game functions.
- ◆ **Recommendation for the game:** Bring a blanket and get a lawn ticket – the bar is close by, too! Don't worry, the trolley will provide you with transportation back to Scranton after the game.
