## Day 2

### THIRSTY? RUM EQUALS FUN

Time to wet your whistle with a local spirit or two! Bayou Rum, located off of Interstate 10 in Lacassine, La. is the largest private rum distillery in the USA. The facility offers free distillery tours, a rum tasting bar and gift shop. Bayou Rum is handcrafted on-site the Louisiana way; in a traditional copper pot using 100% natural unrefined Louisiana cane sugar and molasses. Did we mention it tastes incredible?

#### \*Digestion Suggestion II:

Louisiana is known for secret sauces, flavorful spices and family recipes. So, some of our dishes might not be able to be cooked away from the Bayou State without a few ingredients. Local shops like Crave, Lebleu's Landing & Acadian Coffee Roasters offer a variety of culinary treasures to stash in your suitcase.

### HOPS, A SKIP AND A JUMP AWAY

Super local and authentic – make sure you stop to sip on the local brews at Crying Eagle Brewing Company! Crying Eagle Brewing Company has it all – a bistro featuring pizza and Louisiana dishes, live music, beer garden, outdoor games, and free tours. Step outside to the beer garden to relax and enjoy Louisiana's beautiful outdoors and enjoy live music while playing a game of washers or cornhole. Before the day is done, make sure you fill a growler to go with one of their most popular brews: Pistol Bridge, Louisiana Lager, Ready to Mingle, and Hop Blooded IPA.
