Lake Geneva: The Newport of the West

The Lake Geneva, Wisconsin region is a year-round resort destination nestled in southeast Wisconsin, featuring captivating lakes, natural beauty, and one-of-kind experiences. Conveniently located between two Midwest metropolitan areas, getting to Lake Geneva is a 70-minute drive from Chicago's O'Hare International Airport and just 45 minutes from Milwaukee's Mitchell International Airport.

With its luxurious yet laid back seaside feel, Lake Geneva has long been admired as the "Newport of the West" and the "Hamptons of Chicago". Discovered by wealthy Chicagoans following the Great Chicago Fire in 1871, it became a place of respite and relaxation. Today, Lake Geneva is a place where history and tradition culminate in a genuine warmth and hospitality, welcoming visitors for both business and leisure all year-round.

Four-diamond resorts, historic mansions, and award-winning hotels personalize your stay to make every meeting, conference or tour an event to remember. Choose from an array of unique venues, activities and experiences that will surprise and delight your group. Spacious meeting rooms designed to foster creativity, breathtaking views over a lake, teambuilding on the golf course, or social time on a beautiful veranda... the options are plentiful. If you prefer to go beyond board rooms and ballrooms, take care of business or pleasure at a historic mansion, cruise boat, magic theatre, winery, or any one of our many specialty meeting venues.
