17. Clearwater Landing, Springfield
Recently opened for boating with access to the Middle Fork Park. Makes a nice spot for fishing into the middle. Minimum weight is a 130-pound anchor at this location. Driveway access.

18. Dean Dam, Lovell
Boat access is located immediately below the dam and accessible at the public boat ramp. State Recreation Area. Amenities available in the park.

19. Jasper Bridge, Jasper
Provides good bank fishing and an unobstructed boat launch on the north end. This is a nice access for Dean Dam boat in the summer for fishing.

20. Punga Bar, Lovell
A good boat launch with bank access. At lower spring levels, there is some access to lower water on the river across the bridge near the launch.

21. Full Creek (above Full Creek Road), Lovell
Picturesque stream above Full Creek Road. Popular summer seasonal located for boating and bank access from multiple campgrounds.

22. North Fork of the Middle Fork Willamette, Westfir
A beautiful and remote fishing river in a deep canyon. Fly fishing with barbless hooks only. Access to upper section of the river comes with the lower 12 miles of protected water. Although this section still has some technical water for boating, fishing pressure is light.

23. Salmon Creek, Olga
Would love to see the facility and the area, but the bridge offers awesome fishing near its park setting. Trolling from boat from late spring to early fall with some access to barbless spread.

24. North Fork Willamette River, Cottage Grove
A beautiful and remote fishing river in a deep canyon. Fly fishing with barbless hooks only. Access to upper section of the river comes with the lower 12 miles of protected water. Although this section still has some technical water for boating, fishing pressure is light.

25. Erma Bell Lakes, Oakridge
Great location for fishing, camping, hiking trails, mountain biking. Some access to less-fished water across the river.

26. Full Creek Road, Crescent Campground, Lovell
Good bank and boat access. Popular recreation area with access to billboard, salmon, and steelhead and salmon from West Boundary Rd. on the north shore.

27. Gold Lake, Olga
Easy access for swimmers. Health advisory (mercury) for fish consumption. Bait and tackle only. Afternoon fishing is best. Motorized boats prohibited.

28. B.C. Beach Flat Area, Olga
Very popular summer seasonal located for boating and bank access from additional day use area.

29. Lookout Point Recreation, Lowell
Good bank and boat access. Other recreation opportunities including camping, hiking, mountain biking.

30. Bon and Kay Dorris Wayside, Vida
This easy-access, family-friendly location is near ODFW’s McKenzie Bridge Hatchery. Provides boat access for fishing in both boat and hoist.

31. Silver Creek Landing, McCloud
Popular launch in the Hight Cascade off of Hwy. 424 (almost seasonally fishable). One of the few drives in Hight Cascade Lake that allows for both bank and hoist access. Some access to several other more festive休闲 lakes.

32. Smith Reservoir, upper McKenzie (Linn County)
Lovely stocked lake in the High Cascades off of Hwy. 242 (closed seasonally fishable). One of the few drives in Hight Cascade Lake that allows for both bank and hoist access. Some access to several other more festive休闲 lakes.

33. Shadow Bay Campground, Cottage Grove
A great location for fishing, clamming, or crabbing within walking distance. Nice view of Salmon River. Full facilities are available.

34. Ben and Kay Dorris Wayside, Vida
Great access to fishing, camping, hiking or walking within walking distance. Great view of Salmon River. Full facilities are available.

35. Nye Creek Beach, Florence
Great location for fishing, clamming or walking within walking distance. Great view of Siuslaw River. Full facilities are available.

36. Paradise Campground, McKenzie Bridge
Located in the campground, this is a beautiful stretch of the upper river.

37. Silver Creek Landing, North Bend
A base house branch of the McKenzie River provides access for both bank and boat fishing.

UPPER MCKENZIE AREA
Standing water

38. Big Creek, Privately-owned Campground, Blue River
Standing water provides bank access for anglers. 

40. Blue Creek, Springfield
Standing water provides bank access for anglers.

61. Highway 55, McKenzie Bridge
Standing water provides bank access for anglers.
opportunities; none of the other ponds are stocked. Also provides a focus of restoration efforts and hosts great wildlife viewing.

Blue Mountain Rd.  This creek offers good fishing for hard-}

Flowing waters

Coast Fork Willamette area

15. Garden Lake, Creswell

Swimming, health advisory (mercury) for fish consumption. Bass, bullhead, crappie, bluegill, trout

13. Cottage Grove Reservoir, Lakeside Park, Cottage Grove

Smaller reservoir with diverse and productive fishing, open year-round, it is truly great from late spring through fall. The upper river technical water for boating. Some sections are fly and lure only

Fall Creek (above Fall Creek Reservoir), Lowell

Steelhead and salmon fishing heats up in late spring and early summer, access to the head of Lookout Point Reservoir as well as the Middle Fork. This is a popular launch for a day trip on the McKenzie and also a good boat launch for native trout. Limited bank access available.

37. Silver Creek Landing, North

Here is a House Reservoir (the Everhart campsite provides access for both bank and boat fishing). The lake is 1773 acres, it is truly great from late spring through fall. The upper river

36. Paradise Campground, McKenzie Bridge

Located in the campground, this lake is

accessible only at the boat launch. Good access to both bank and fishing with full camping facilities. Popular take-out for a float from Hayden Bridge.

49. Hendricks Bridge, Walterville

Great location for fishing, clamming or crabbing within walking distance of Old Town Florence. Full amenities are available.

1. Dorena Reservoir, Bower Bay County Park, Cottage Grove

Great for Chinook and coho fishing on a rip-rapped jetty just above the dam. Motorized boats prohibited.

46. Whitaker Creek Boat Launch, Whitaker Creek Rd. At

Provides great bank and boat access to the Siuslaw in an area with a very good population. Access to the Siuslaw River and nearby Siuslaw River National Recreation Area is quick and offers great fishing. Salmon fishing heats up in late spring and early summer, offers good bank access for both bank and boat fishing in spring and early fall.

35. Finn Rock Landing, Blue River

Motorized boat rentals available at county-owned resort onsite. Trout floats to Hayden Bridge.

45. Armitage Park, Eugene

Great for salmon and steelhead fishing on the upper river. Offers good bank access for both bank and boat fishing.

44. Cleator Lake, Clear Lake Reservoir, Upper McKenzie Reservoir (McKenzie Lake)–

Headquarters of the McKenzie River, 149-acre natural lake famous for Chinook salmon. "Marlins" have been prohibited. Non-motorized boats only.\n
43. Cottage Grove Reservoir, Middle Creek Campground, Blue Lake Z

Boat ramp on the upper end of the reservoir and boat access to the Siuslaw on the west side, this is also the jumping-off spot for trails to Blue Lake. Access  from pullouts along FS Rd. 19; the dam has a boat launch but access to the lake is by Cosmetic Trout with barbless hooks only. Access to the Siuslaw River Trail.

42. Luckich Lake, Lebanon

This easy access to a lake with little technical water for boating (the best access from a motorboat involves a portage for about 50 yards). Trout fishing is good to great in spring and summer.

39. Carnen Reservoir, Upper McKenzie Z

Open year-round, this small, easy-access lake is a good place for lake fishing for trout. Access is via County Road 19 and can be reached by small outboard motors.

40. Clear Lake, Clover Lake Reservoir, Upper McKenzie Reservoir (McKenzie Lake)–

Dye Creek

A fisherman casts his line from a pontoon boat. Other recreation options include camping, hiking, mountain biking, and fishing.

34. Silver Creek Landing, Rainbow Z

Trout fishing is good to great in spring and summer. Steelhead and salmon fishing heats up in late spring and early summer, access to the head of Lookout Point Reservoir as well as the Middle Fork.

38. Blue River Reservoir, Lookout Campground, Blue River

Trout, bass, crappie

41. Cougar Reservoir, Slide Creek Campground, Rainbow Z

Trout in sufficient numbers to satisfy trout enthusiasts. The main productive fishing is generally at the north and south ends of the lake near boat ramps. Bank access is limited.

32. North Walla Campground, Cappadoga

Great bank and boat access. Popular recreation area with access to the lake from both ends of the lake.

27. Gold Lake, Ophir

Dye Creek

A boy casts his line from a pontoon boat. Other recreation options include camping, hiking, mountain biking, and fishing.

26. South Fork of the Middle Fork Willamette, Westfir

A boat and a man cast their lines from a pontoon boat. Other recreation options include camping, hiking, mountain biking, and fishing.

21. Fall Creek (above Fall Creek Reservoir), Lowell

Trout fishermen can head to the upper end of the reservoir and boat access to the Siuslaw on the west side, this is also the jumping-off spot for trails to Blue Lake. Access  from pullouts along FS Rd. 19; the dam has a boat launch but access to the lake is by Cosmetic Trout with barbless hooks only. Access to the Siuslaw River Trail.

22. North Fork of the Middle Fork Willamette, Westfir

A boat and a man cast their lines from a pontoon boat. Other recreation options include camping, hiking, mountain biking, and fishing.

20. Middle Fork of the Middle Fork Willamette, Westfir

Trout fishing is good to great in spring and summer. Steelhead and salmon fishing heats up in late spring and early summer, access to the head of Lookout Point Reservoir as well as the Middle Fork.

19. Jasper Bridge, Jasper

Provides good bank fishing and an upriver boat launch on the north-west. This is a terrific place for Dye Creek trout in a bigger lake setting.

18. Doctor Dan, Lowell

Bass, bullhead, crappie, bluegill, trout

17. Clearwater Landing, Springfield

Highway 6 tracks the creek closely. Facilities remain open year-round and provides access to the head of Lookout Point Reservoir as well as the Middle Fork.

16. Middle Fork of the Middle Fork Willamette, Westfir

14. Dorena Reservoir, Bower Bay County Park, Cottage Grove

Swimming, health advisory (mercury) for fish consumption. Bass, bullhead, crappie, bluegill, trout

13. Cottage Grove Reservoir, Lakeside Park, Cottage Grove

Swimming, health advisory (mercury) for fish consumption. Bass, bullhead, crappie, bluegill, trout

12. Doctor Dan, Lowell

Bass, bullhead, crappie, bluegill, trout

11. South Fork of the Middle Fork Willamette, Westfir

A boat and a man cast their lines from a pontoon boat. Other recreation options include camping, hiking, mountain biking, and fishing.

10. North Fork of the Middle Fork Willamette, Westfir

A boat and a man cast their lines from a pontoon boat. Other recreation options include camping, hiking, mountain biking, and fishing.
removal open season, and provides access to the lower Truckee River at Point Bennett Reservoir as well as the Middle Fork 

17. Clearwater Landing, Springfield 
Recently improved for boaters with a new launch ramp at the Middle Fork Park. Makes a nice spot for boating into the magnificent Willamette Valley on the Island Creek, Dorena Lake, or Triangle Creek. 

18. Doctor Dan, Lowell 
Boat access is limited immediately below the dam and is accessible from the South State Recreation Area. Amenities available in the park.

19. Jasper Bridge, Jasper 
Provides good bank fishing and an unobstructed boat launch on the north side. This is a nice setup for Jasper Dam boat-in or a day launch for Jasper Dam. 

20. Punco Ranch, Jasper 
A good boat launch with bank access. At lower water levels, there is some access to lower-fishable water across the river. 

MIDDLE FORK WILLAMETTE Waterfall areas

21. Full Creek (above Full Creek Reservoir), Lowell 
Picture steam above Full Creek Reservoir. Popular summer recreation area with access to boat, bank access from multiple campgrounds. 

22. North Fork of the Middle Fork Willamette, Westfir 
A beautiful and remote fishing river in a deep canyon. Fly fishing with Barbless hooks only. Access via the Westfir Road for the lower 12 miles or partially good water. Although this is the longest pool in the river, fishing pressure is light. 

23. Salmon Creek, Olga 
Located immediately northeast of Olga via Salmon Creek Rd. (Fm 26). Multiple pools and pike tanks, buildings and campsites, as well as a大事なproject to a waterfall and milling/mining. Visit the Willamette National Forest for more information. 

MIDDLE FORK WILLAMETTE Standing water

24. Doctor Dan, Lowell 
Located on the west side of Dorena lake, this is also the jumping-off spot for trails to the lake. Access to the lake can be via several campgrounds, boat launches and the McKenzie River below Leaburg Dam. 

35. Silver Creek Landing, Baker 
This popular boat launch also provides bank access for anglers. 

36. Silver Creek, Springfield 
Easy access to a stretch of river that is still technical for water craft. The road is tight, but the lake access to the boat ramp is still available. 

37. Silver Creek Landing, Natural 
A bike-friendly launch. Two sizes of ramps provide access both bank and boat access. 

LOWER MCKENZIE Waterfall areas

38. Linnville Landing, Linnville 
Good access to the upper end of the reservoir and bank access to the boat services on the large waterbody.

39. Lent Bridge, Lake Creek 
This easy access, family-friendly location on the ODFW’s Leabburg Reservoir provides access for fishing by foot or boat. 

40. Scott Lake, McKenzie Bridge 
Located on the North McKenzie (Linn Co.) on the west side, this is also the jumping-off spot for trails to the lake. Access to the lake can be via several campgrounds, boat launches and the McKenzie River below Leaburg Dam. 

41. Smith Robertson, Upper McKenzie 
Great location for fishing, swimming or simply walking within walking distance of the McKenzie River. Full amenities are available. 

42. Willamette Falls, Westfir 
Great location for fishing, swimming or simply walking within walking distance of the McKenzie River. Full amenities are available. 

43. Whitaker Creek, Westfir 
Great location for fishing, swimming or simply walking within walking distance of the McKenzie River. Full amenities are available. 

44. Whitaker Creek Boat Launch, Whitaker Creek Rd. At this ramp, bank access to the river is provided. 

45. Willamette Falls, Westfir 
This ramp launch also provides bank access for anglers. 

46. Willamette River, Willamette 
Good access to the boat launch on the river. North American pick-up on the boat ramp. 

47. Willamette River, Willamette 
Boating navigation challenges. Nice remote feel while still close to town. 

48. Willamette River, Willamette 
The river offers diverse fishing opportunity and less-fished water across the river. 

49. Willamette River, Willamette 
Very popular summer recreation lake with trail access. Open round and stocked in spring and early summer, but trout fishing is fine year-round and great in both late spring and early summer. 

50. Willamette River, Willamette 
During parts of the year—know the regulations for where you are fishing. Salmon fishing heats up in late spring and early summer, during parts of the year—know the regulations for where you are fishing. Steelhead and trout fishing is fine year-round and great in both late spring and early summer.
