Actual comprised of two lakes (East and West Sutton) that Trout, yellow perch, bass shops offer crab pot rentals. privately owned; access at boat ramp. Popular for boating, swimming and fishing, this shore dune bank access at boat ramp and campground. are linked by a short channel. Shoreline is mostly private; not be available for purchase at fishing locations. Your trip: Travel Lane County can help you coordinate the details of your salmon fishery when trolling lures or herring. A power Cushman or the Port of Siuslaw. A productive fall run, flies and lures only on this reach. Brook trout

IF YOU HAVE MORE TIME AND A BOAT... These trips are appropriate for drift boats, pontoon of a boat. Boaters are always responsible for knowing their craft, the nature of the river and their own abilities. Scout before you go! 1. Middle Fork Willamette River-Fergus to Jasper or Clearwater: A fine technical spot keeps boaters alert on this classic fish and float for trout and the occasional salmon or steelhead. A close-up trip that feels like a remote getaway. 2. Willamette River-The Town Run: Put in at Island Park in Springfield or Alton Baker Park in Eugene and float to Benton. Very productive for summer steelhead starting in late spring and early summer. 3. McKenzie River-Hayden Bridge to Armstrong Park: A gentle float with a few technical spots and abundant trout make this stream relaxing and enjoyable. Catch-and-release rules and access only on this reach. 4. Siuslaw River-Whittaker Creek to Lake Creek: A summer steelhead drift boat fishery from January through March.

Key to Amenities: restroom. 1. Alton Baker Park: Trout, salmon, steelhead, some bass and perch. Access to the Alton Baker Park with a beautiful view of the entire length. The Alton Baker Camp Creek, a side channel of the river, is ideal for summer steelhead. An occasional salmon makes its way in from the estuary. A moderate quad offers good fishing, looking at this popular location. Every access is a stretch of river with lots technical water that will test even the most skilled anglers. 2. Bottle Creek Landing at Bublois and River Area, Minnetristo: What you need Licenses and regulations are available at license agents or online. A fishing license if 12 or older A copy of the Oregon Sportfishing Regulations Portland, or online available at license agents.

Lake Sutton

65 PLACES TO GO FISHING IN LANE COUNTY

LANCE COUNTY OFFERS SO MUCH TO EXPLORE — from coastal lakes and rivers to mountain lakes and streams. The Willamette River runs through the Eugene-Springfield metro area and is fed by three major rivers: the McKenzie, Middle Fork Willamette and Coast Fork Willamette. Florence is surrounded by large dumb lakes, the Siuslaw River and Pacific Ocean. With so many places to fish, it’s no wonder Lane County is an angler’s paradise. For current regulations, call your local ODFW office or check www.ODFW.com.

6. Armitage Park, McKenzie River Trout, steelhead, salmon. Access through town and just north of town to the mainstem of the river. A few miles of river, is the Alton Baker Canoe Trail. Fishing trips from Leaburg or starting point for wild steelhead. Where you can float the “town run” of summer steelhead, the gravel landing provides good access, some minimum run-off and a small-sized road to the beach of Florence. 3. Island Park, McKenzie River Trout, steelhead, some bass and perch. Provides good access down to the river as well as a bar ramp. 4. Bath Butte Riverbank Park System (Willamette River Trail; Minnetristo Willamette River Trail) Trout, steelhead, some bass and perch. An attractive opportunity to target salmon and steelhead, late spring into early fall in either or a boat. A bike path follows the river from Island Park to the Riverside’s River Park before it turns south on Eugene. Target the long black rock in front of an island. Access to amenities, including ramps, to multiple locations. 5. Chester Landing, Middle Fork Willamette River Trout, steelhead, some bass and perch. Provides good access to the river as well as a bar ramp.
