Transient lodging tax funds destination marketing

In fiscal year 2022, transient lodging tax (TLT) yielded \$16.8 million county-wide.

Lane County and each city within the county has the authority to collect TLT. This tax is levied when patrons stay at any of the 5,500 rooms available at hotels, motels, lodges, bed and breakfasts, Airbnb and vacation rentals in the Eugene, Cascades & Coast region. In addition, 3,300 private, city, county and state RV parks and campground sites are also taxed.

The City of Eugene collects TLT for all cities and the county, then redistributes it to each jurisdiction. Lane County earns 8% on receipts throughout the county, with the exception of cities that have initiated their own local TLT, such as the City of Eugene. In those instances, the county receives 5% and the city collects the difference – in Eugene, for example, the city retains 4.5% In 2020, Travel Lane County received approximately \$3.8 million

in TLT for the purpose of marketing the destination to three primary visitor markets: meetings and convention planners and attendees; leisure travelers; and sports event planners, participants and fans.

Travel Lane County staff strives to continually improve products and services to meet the changing needs of leisure, sports and convention travelers. When we succeed, overnight stays increase, which creates more transient room tax receipts that generate funding for future destination marketing efforts.

Funding destination marketing efforts also benefits the region as a whole, by creating an environment for economic success.
