

Booking Reservations Online Using a **Promo Code**

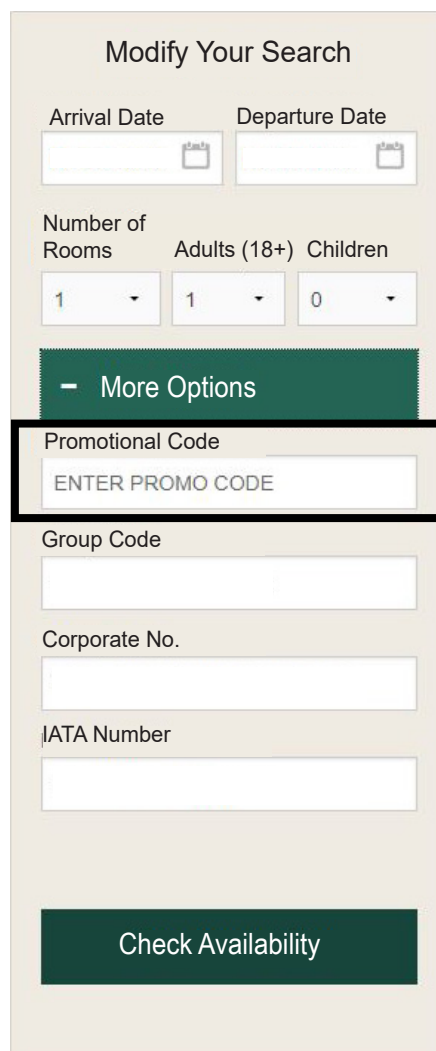

Please follow the steps below:

1. Go to the Kellogg Center website at <https://kelloggcenter.com>. Enter your arrival date and select the **Check Availability** tab.

The screenshot shows the top navigation bar with links for ROOMS, MEETINGS/EVENTS, WEDDINGS, STATE ROOM RESTAURANT, and RESERVATIONS (800-675-5090). Below the navigation is a large banner image of the hotel building with the text "Unique and Authentic Hospitality". Underneath the banner is a "PROMOTIONS" section. At the bottom is a reservation form with fields for "Arrival" (12/24/2019), "Nights", "Rooms", "Adults", and "Children". A green "Check Availability" button is on the right, with a black arrow pointing to it from the right. A black arrow points up to the "Arrival" field.

2. Enter the **Promo Code** that was issued to your group and select the **Check Availability** tab.

The "Modify Your Search" form includes fields for "Arrival Date" and "Departure Date" (both with calendar icons), "Number of Rooms" (1), "Adults (18+)" (1), and "Children" (0). Below these is a green button labeled "More Options". Underneath is a "Promotional Code" field with the placeholder text "ENTER PROMO CODE", which is highlighted with a black border. Below that are fields for "Group Code", "Corporate No.", and "IATA Number". At the bottom is a green "Check Availability" button.

Continued on back of page.

3. This will bring you to the special rate that is offered for your group. Select **Book Now** on the room type that you would like to reserve.
