If you enter the Lansing Center's Address in an address search, you will be directed to the front of the Lansing Center. Parking is located below and behind the Lansing Center which is why we provide a different parking address as it will be more helpful due to the one-way streets.

### Parking Passes for Cars

Sold online at <https://edocs.lansingmi.gov/forms/specialpass>, you will pick up your passes at registration. Deadline to pre-purchase passes is July 1<sup>st</sup>. Otherwise, they will be available for sale during the event at the Parking Services Office at 219 N Grand Ave, Lansing, MI 48933 during normal business hours.

\$35 for 7 consecutive days. Please see daily and hourly parking info below.

The passes are QR Codes that will be scanned when you enter and exit.

The very first time you enter a lot, you must take a ticket, you don't need to keep it but it's the only way the gate arm will open. After that point you will need your QR code for every time you enter and exit the gates.

Parking passes for cars are only good in lots #19, #20, #21, and #37, which are highlighted in green on the attached map.

Passes are only good for one in, and one out- as many times as you'd like but once you're in, that same pass will not grant someone else access in. And once you're out, that same pass will not let someone else out.

Parking in the Lansing Center is first come, first serve. You are not guaranteed a spot but there will be overflow parking available if need be. There are baseball games from July 18<sup>th</sup>-23<sup>rd</sup>. The lots will be busy those evenings, so it would be best to arrive before 5 pm those days, except for Sunday the 23<sup>rd</sup> when it's a day game. It will be best to arrive before 12 pm on Sunday, July 23<sup>rd</sup>.
