

MAHA Tier III Girl's State Playoff Teams:

The Summit Sports and Ice Complex on behalf of the Lansing Hockey Club is very excited to be hosting the Tier III Girl's State Playoffs. We work closely in partnership with The Greater Lansing Sports Authority to ensure we put on the highest caliber hockey events in Michigan. We would officially like to welcome your team to the tournament!

Final details are in the works for your event, and we will be sure to follow up promptly with any information your teams may need for the upcoming weekend. In the meantime please be sure to reserve your rooms for the weekend of February 28th – March 1st. A microsite including hotel blocks will be distributed to your team contacts. Should you have any questions regarding this process please reach out to myself Josh Hobrla (josh@thesummitsportsandice.com), or Miranda Coleman (mcoleman@lansing.org) as we will be your primary contacts for this tournament.

A culmination of efforts from The Lansing Hockey Club, The Greater Lansing Sports Authority, and The Summit Sports and Ice Complex will help ensure that city of Lansing and more specifically The Summit will be a great host site for your teams. Please feel free to contact us for additional information or any questions that you may have.

Sincerely,

Josh Hobrla
Hockey Director
