REFERENCE INFORMATION

1. Length of Periods

Girl's 10U All Divisions

3-12 min. stopped

Girl's 12U All Divisions, Girl's 14U Tier III, Girls 19U Tier III,

3-15 min. stopped

2. Goal Differential Run-Time (Round Robin Games – For Non-National Bound Divisions Only)

For Non-National Bound Divisions Only If the score difference is (6) goals or more at any time in the third period, the clock goes to running time. Once running time starts, it stays until the score difference becomes two goals, at which point, stopped time comes back into effect.

3. Warm Up Time

Prior to each game shall be as follows: games scheduled for less than 1.5 hour (3 min) Games scheduled for 1.5 hour or greater (5min.

4. Time-Outs

EACH TEAM IS PERMITTED ONE TIME-OUT OF 60 SECONDS, WHETHER IN REGULATION OR OVERTIME, per USA HOCKEY PLAYING RULES.

5. Overtime

Round Robin Games:

1. No overtime is to be played in round-robin games.

Championship Games:

1. The game shall be continued to determine a winner.
2. At the completion of the third period, there shall be a three-minute rest period before the start of the first overtime session.
3. All overtimes shall be ten (10) minutes in length and sudden death. Teams shall not switch ends throughout overtime periods; therefore teams will play in the same end from which they played during the third period until a winner is determined.
4. At the completion of the first overtime, if the teams are still tied, the teams shall leave the ice and the ice shall be resurfaced. A second overtime period shall begin immediately following the ice resurfacing.
5. Following the second overtime, there shall be a three (3) minute rest period prior to the start of the third overtime session
6. If the teams remain tied at the completion of the third overtime period, the teams shall leave the ice and the ice shall be resurfaced.
7. Thereafter, the foregoing process in items 1-6 shall be repeated until such time as a winner is determined by the competition.

6. Protests

Protests on all matters other than playing rules and/or referees judgment must be filed with the appropriate District or State Tournament Director in writing no later than one hour after the completion of the game involved. Written protests must contain all facts and must be accompanied by a protest fee of \$50.00 which will be returned if the protest is upheld. Officials must be notified at the time of protest so that it may be announced to all officials and the public.) The fee will be forfeited if protest is turned down.)

7. Injury/Concussion Policy

Each host site is required by USA Hockey/MAHA to have medical personnel on site during the entire District and State Championship Tournaments. The on-site medical staff may consist of a combination of Doctors, Nurses, EMT'S or Certified Athletic Trainers. The on-site medical staff will have the over-riding authority to determine if a player's injury warrants removal from the game and/or referral to a local hospital. If a player is referred to the local hospital, and intends to return to play, the player must provide a written release from the doctor who examined him/her and determined that the player was able to return to play. However, even with the medical release from the examining Doctor, the final authority to allow the player back on the ice will rest with the Host's on-site medical staff.

*No coach, team doctor, team trainer, parent or guardian may take responsibility for the player returning to the ice without the approval of the Tournament Host's on-site medical professional. Only the on-site medical staff can approve the players return to the ice. ***This is the minimum standard to be followed for return to play following an injury/concussion.****

TOURNAMENT TIEBREAKER RULES

The standings shall be determined on the basis of two points for a win and one point for a tie. There is no overtime in round-robin play. If two or more teams have an equal number of points, their position in the standings shall be determined by the following tie-breaking format. If one tie-breaker establishes a position for one or more teams, each team is placed in the applicable position. Once a team is placed, the remaining tied teams shall start the tie-breaking process over again at step 1a. The tie-breaker formulas are as follows:

1. The results of the HEAD to HEAD games played between the teams tied in the standings shall be used in the following order: (If all tied teams have not played each other, skip step 1 and proceed to step 2.)
 - a) Standings—Most points in Head to Head games.
 - b) Most wins in Head to Head games.
 - c) Differential - Subtracting goals scored against from goals scored in these Head to Head games, the positions being determined in order of the greatest surplus. A maximum of six (6) goal differential will be used regardless of goals scored in the games.
 - d) Quotient - Dividing the goals scored in these Head to Head games by the goals scored against, the positions being determined in order of the greatest quotient. A quotient involving dividing by zero (0) has higher standing than a quotient from dividing by any number other than zero. Where two or more teams have no goals against and the quotient tie-breaker is required, the teams shall be ranked high to low in descending order of "goals for".
2. If after applying the formulas of 1 a, b, c, d, e or f the tie still exists, the results of ALL the GAMES PLAYED by the teams tied in the standings shall be used in the following order.
 - a) Most wins in ALL the Games Played.
 - b) Differential—Subtracting goals scored against from goals scored in ALL the Games Played, the positions being determined in order of the greatest surplus.
 - c) Quotient—Dividing the goals scored in ALL the Games Played by the goals scored against, the positions being determined in order of the greatest quotient. A quotient involving dividing by zero (0) has higher standing than a quotient from dividing by any number other than zero. Where two or more teams have no goals against and the quotient tie-breaker is required, the teams shall be ranked high to low in descending order of "goals for".
 - d) Most periods won—In ALL the Games Played by each tied team, points will be awarded for each regulation period won (2 points) and for each regulation period tied (1 point). Positions shall be in the order of highest point total.
 - e) Quickest first goal—The team that scored the quickest goal in ALL the Round Robin Games Played shall be ranked highest.
3. The team with the fewest total penalty minutes in ALL the Games Played will be ranked the highest, etc.
4. If the above procedure does not break the tie, the teams shall use a shootout procedure. This will involve each team selecting five (5) players who will alternate taking penalty shots. A toss of the coin will determine which team will take the first shot. If after five (5) players from both teams have completed the procedure the tie still has not been broken, it shall be repeated with five (5) different players until the standings are determined.
