

For-Profit entities can only apply for a Marketing Grant and only if their mission and operation is directly related to tourism and tourism development.

Tourism Grants are made possible by an agreement between the Laurel Highlands Visitors Bureau and the county of Fayette. The money available for these grants is made possible by the collection of a room tax within the lodging community. This unique program allows for the enhancement and growth of a vibrant tourism product within the Laurel Highlands region. Grants are never a promise, but an opportunity.

For more detailed information refer to the Fayette County Tourism Grant Program Criteria.
