Mike asked for a motion to approve the Marketing Plan.

Action: Peter moved to adopt the marketing plan; Jamie seconded. Approved.

- 6. Financial Report Heidi Champagne
  - Shared the reports from the packet
  - Mike reminded the board that, because of the recent increase in hotel stays and TGT revenues, \$217K of 2021 funds are being "returned" to eXplore Lawrence by the City to backfill lost 2021 budget due to the pandemic. This means that there is \$1.2 million available in 2022.
- 7. 2022 Budget & Operating Agreement
  - Kim reported that the City shared the updated operating agreement which is ready for signing.

Mike asked for a motion for Kim sign the agreement. Action: Moved by Danny; Seconded by Heidi. Approved

- Proposed changes and increases to line items in 2022 Shared a spreadsheet reallocating the budget backfill from the end of 2021. 2021 was a depressed budget due to COVID.
  - EIDL loan repayment

- Visitor center maintenance and improvements
- Health Insurance increase for new employees and cost increases
- Payroll was reduced in 2021 with Michael's absence, want to add staff to cover gaps
- Employee retirement plan
- Marketing plan
- Public Relations for events and subscriptions from state
  - I-70 distribution
  - Digital
- Promotional materials
- Bids incentives
- Rent increase
- Insurance
- Storage reduce
- Travel & Meetings increase
- Will audit telephone and Internet expenses
- With "surplus" funds, propose a savings fund for emergencies and opportunities
  - Professional development
  - Bid increase

Mike pointed out that the actual 2022 budget is \$996,000. He asked if the financial fluidity of the budget stays the same. Kim would be concerned about hiring staff and possibly not being able to keep them in 2023 without future budget increase.

Looking at benchmark communities to learn more about other CVBs. Budget request will be submitted in April.

Mike asked for a motion to approve the proposed revised 2022 budget.\* Action: Moved by Jamie; Seconded by Heidi. Approved

\*There was clarification after the vote that the approval was made for the overall proposed revised budget but not for the entire 2021 additional funds. Those funds will be revisited by the board later.

- 8. TGT Grant Program Update Peter Bobkowski
  - In the interest of time, Peter proposed tabling this to next meeting. Asked board to review allocation.
- 9. Board Retreat
  - Kim Doodle Poll result Retreat will be March 3<sup>rd</sup> from 11 a.m. to 3 p.m.

Mike and the board bid Danny a fond farewell and reminded him to visit often.

### **Visitors Services Report**

#### Overview

The month of February was a bit busier than January, but the snow and cold weather definitely kept our numbers lower with 367 visitors. We are still receiving new products form other destinations. With some destinations, this is their first time releasing new product since the pandemic. We have had an update on our volunteer program as well as some other servicing projects coming up.

#### Visitors Center Guests

### Number of Items Sold

Sales for February picked up a bit from January. Postcards still tend to be the best selling item, however our new magnets have been doing pretty well and almost outsold postcards in February.

I have finished the Kansas State Guide listing for our partners in the community. We purchased listings in the guide for 47 different partners. These are made up of all the hotels, wineries, breweries, and attractions in Lawrence.

Kendra and I have been busy at work with servicing upcoming events and groups coming to Lawrence. I compiled a list of restaurants around town that would be able to accommodate group dining for the NACADA group. I am confident that we will be able to utilize this list for future group needs. I was also able to gather welcome bag supplies for NACADA to pick up before their event. I was also able to meet with John Borrow with the Kansas Fur takers and make sure that we can successfully attend to his event's needs coming up in June.

I was excited to pick up some new Douglas County Bike Maps from City Hall. These maps have been one of the most sought after piece of literature since I have worked here.

Jess and I have been busy with adding events to both the website calendar as well as the new city calendar. It is good to see a lot of events popping up now that it is getting warmer and Covid seems to be calming down.

I have been working on a project with a local partner, Tyler Lindquist in creating and distributing Pride Flag window clings for our Lawrence businesses. The goal of this mini project is to have welcoming businesses display that they are safe places for our LGBTQ+ tourists. We in Lawrence understand that our town is welcoming and affirming to LGBTQ+ individuals but this will help people who are visiting who might not be privy to that information.

We now have the new volunteer application on the website. I have also brought on a new volunteer named Claire, who will be starting this week. I am really excited to have her become a part of the Visitors Center team.

Total unique website visitors for February were 16,122, a 61% decrease from last month and 149% more than February of last year. In February, users averaged 1.94 pages per session (compared to 1.7 pages last February) and averaged 1:49 minutes (compared to 1:23 last February). The leading source for our traffic was Organic, Social, and Paid Search.

New content on the site in February was:

- Why Lawrence?
- Love Language: Musicians, artists, and community pen a love letter to Lawrence
- A Guide to Lawrence Restaurant Week

Top viewed content in February was:

- Lawrence Restaurant Week
- A Guide to Lawrence Restaurant Week blog
- Events Calendar
- Home page
- Cradle of Basketball

#### Search Engine Marketing

With some of the changes we've been testing (with Google's participation), we saw a 64.40% drop in CPC in February. This is especially interesting because February tends to be lackluster due to it's shortness and the added competition it brings. Since we are ramping search back up for spring, We should have seen a 100% click increase month over month. But, due to the lower click cost we delivered almost 5x as many clicks as in January! We did see a dip in CTR which corresponded closely to an increase in Jayhawks and cemetery search demand. We've made some tweaks to the keywords that will reign these in. – Chris Callahan, Cohort Digital

#### Lawrence Restaurant Week Advertising Campaign

We ran a Lawrence Restaurant Week digital campaigns in February through Datafy, Social Media, LJWorld, and Midco.

- Lawrence Restaurant Week Datafy Ad Campaign Results
  - Retargeted people who have visited Downtown Lawrence in the past with a Lawrence Restaurant Week message

Pandemic influenced travel limitations and restrictions significantly affected visitor spending results in Douglas County for 2020. With closures and the safety fears travelers had in 2020, visitor spending fell by \$84 million, a loss of over 30%. Travel limitations and restrictions significantly affected large events and indoor facilities – many were curtailed or cancelled. This resulted in the more significant spending losses seen in the lodging and recreational area in 2020.

But people did want to travel. Their travel was more likely to be to visit friends and relatives or to closeby places with space – like an outdoor destination. There was also essential travel that continued – trips needed for retail activities. Visitors spent \$61 million at restaurants and other food providers in the county in 2020 with spending falling only 22%.

Overall, Douglas County visitors spent \$189 million in 2020. Visitor spending in Douglas County fell more than 30% in 2020 as the losses from lodging and recreational spending by visitors led spending lower. The spending decline is larger than state visitor spending losses of 26% as the loss of football games and graduations associated with KU were more concentrated in the county.

The results provide two strong stories showing the importance of tourism to Douglas County. Even in the pandemic, people wanted to travel and travel was an important industry to the county. Those visitors that did travel spent \$189 million in the county in 2020, supporting a total of more than 2,900 jobs and \$88 million in household income to those job holders.

And the second story is, the decline in travel as the result of the pandemic and its impact on Douglas County. The pandemic drove overall spending down nearly 30% - back to levels previously seen in 2010. This spending decline resulted in a loss of 770 direct jobs and \$20 million in household income. These losses affect all aspects of life in Douglas County – businesses that sell to visitors as well as the workers that live in the county and the income lost by those households for which jobs were eliminated.

Please take a look over the analysis and feel free to ask any questions or provide any comments regarding this report.

Best of luck for a successful 2022.

## ECONOMIC IMPACT OF TOURISM IN DOUGLAS COUNTY 2020

Prepared for: Explore Lawrence

WWW.TOURISMECONOMICS.COM

### **INTRODUCTION**

The travel sector is an important part of the Douglas County economy. Visitors generate significant economic benefits to households, businesses, and government alike and represent a critical driver of Douglas County's future.

By monitoring the visitor economy, policymakers can inform decisions regarding the funding and prioritization of the sector's development. They can also carefully monitor its successes and future needs. This is particularly true for Douglas County as its tourism economy recovers. By establishing a timeline of economic impacts, the industry can track its progress.

To quantify the economic significance of the tourism sector in Douglas County, Tourism Economics has prepared a comprehensive model detailing the far-reaching impacts arising from visitor spending. The results of this study show the scope of the travel sector in terms of direct visitor spending, as well as the total economic impacts, jobs, personal income, and fiscal (tax) impacts in the broader economy. The analysis draws on the following data sources:

- Longwoods International: survey data, including spending and visitor profile characteristics for visitors to Kansas
- Kansas Department of Revenue sales tax data by county, select industries and other data points
- Bureau of Economic Analysis and Bureau of Labor Statistics: employment and wage data, by county and industry
- STR: Lodging performance data, including room demand, room rates, occupancy, and room revenue
- US Census: business sales by industry and seasonal second homes inventory
- Transient Guest Tax Collections

## **KEY FINDINGS**

### **KEY FINDINGS**

Tourism's importance to the county shown from both levels and losses in 2020

While the size of the losses as the result of the pandemic is important to acknowledge, so is the continued size of the industry and what it means to Douglas County.

Tourism activity brought in significant revenue to businesses in the county along with supporting 8.7% of all jobs in Douglas County, attesting to tourisms importance to the county even in 2020 during the pandemic.

Losses from the pandemic also provide evidence of tourism's impact on the county as the decline in visitor activity hit local businesses, jobs, and tax revenues. Pandemic losses cut 30% from visitor spending levels resulting in a loss of nearly one-in-four tourism jobs in the county and significant cuts to state and local governmental revenues compared to 2019.

#### **Visitor spending**

In 2020, visitors spent \$189 million in Douglas County, Kansas. Visitor spending fell by more than \$84 million.

#### **Employment supporter**

Total employment supported by visitor spending registered 2,910 Douglas County jobs.

#### **Fiscal contributions**

Visitors generated \$21.4 million in state and local taxes in 2020.

## **VISITATION AND SPENDING**

## **VISITOR INDICATOR TRENDS**

#### Visitor-centric industry performance

Performance measures of visitor-focused industries point to the pandemic's impact in Douglas County.

Understanding the performance of local industries in the county that are impacted by travel along with their comparison to the state and other industries helps support the analysis.

After reaching a level nearly 60 points higher than in 2011 and outpacing the state by more than 15 points, sales tax collections from lodging businesses in the county significantly declined in 2020 as the result of travel interruptions and changes from the pandemic. The overall drop in the county was worse than the state. With the drop, lodging sales tax collections fell to nearly 25% below 2011 levels in Douglas County while state lodging collections were 15% below 2011 levels in 2020, both at levels not seen since the previous recession.

Helping point out that some travel did happen, retail sales rose in Douglas County in 2020. While much of the growth will be residential demand, the fact that retail sales didn't fall despite the significant travel decline shown in the lodging data shows that the traveler portion of retail sales did not decline as sharply.

## **VISITOR INDICATOR TRENDS**

**Employment measures** 

Along with sales tax data, employment growth in key visitor-supported industries points to the significant impact the pandemic had in Douglas County.

Leisure and hospitality employment in Douglas County contracted sharply in 2020. Employment in this sector in 2020 was nearly 15% below 2011 levels in the county. This compares with a 4% decline statewide. With the loss of tourism, jobs in the local economy disappeared.

It is worth noting that county employment also fell nearly ten points in 2020 and are now just below 2011 levels indicating Douglas County's exposure to service industries.

## SPENDING BY CATEGORY TIMELINE

Visitor spending shares

Pandemic-related changes in visitor activity resulted in significant shifts in visitor spending shares in 2020. Categories like food & beverage and retail, which had smaller declines, had their shares increase substantially while the lodging share sharply decreased.

#### **Douglas County visitor spending (shares)**

How visitor spending generates employment and income

Our analysis of tourism's impact on Douglas County begins with actual spending by visitors, but also considers the downstream effects of this injection of spending into the local economy. To determine the total economic impact of tourism in Douglas County, we input visitor spending into a model of the economy created in IMPLAN. Visitor spending and impacts are first calculated at the state level and local indicators are used to share out state results to local areas. This move calculates three distinct types of impact: direct, indirect, and induced at local levels.

The impacts on business sales, jobs, wages, and taxes are calculated for all three levels of impact.

- Direct Impacts: Visitors create direct economic value within a discreet group of sectors (e.g. recreation, transportation). This supports a relative proportion of jobs, wages, taxes, and GDP within each sector.
- Indirect Impacts: Each directly affected sector also purchases goods and services as inputs (e.g. food wholesalers, utilities) into production. These impacts are called indirect impacts.
- 3. Induced Impacts: Lastly, the induced impact is generated when employees whose wages are generated wither directly or indirectly by visitors, spend those wages in the local economy.

IMPLAN calculates these three levels of impact – direct, indirect, and induced – for a broad set of indicators. These include the following:

- Spending
- Wages
- Employment
- Federal Taxes
- State Taxes
- Local Taxes

City of Lawrence ATT: Craig Owens Re: eXplore Lawrence Update

I'm pleased to share an update on eXplore Lawrence's activities and economic impact reports. eXplore Lawrence is uniquely positioned to support our Unmistakable Identity in marketing and event promotion and directly impact Prosperity and Economic Security by attracting visitors to our community.

In 2020, Douglas County experienced a significant economic downturn in tourism activities. This downturn was more severe than our neighbors and the state as a whole. But, even in our worst year on record, Douglas County visitors spent \$189 million in 2020. Visitor spending in Douglas County fell more than 30% in 2020 led by losses from lodging and recreational spending by visitors. The spending decline is larger than state visitor spending losses of 26%. This severe and abrupt decline created budget instability for eXplore Lawrence through 2021.

During 2021 our funding remained inconsistent. While eXplore Lawrence ended 2021 with our funding disbursements at \$995,210 out of our \$996,000 allocation, \$604,000 of that disbursement was received in December 2021. From June 12, 2021, until December 6, 2021, eXplore Lawrence received no funding disbursement causing us to decrease our marketing and sales efforts and delay efforts to restaff to required levels. While our neighbors to the east and west received their expected funding and were well-positioned to leverage their assets as the recovery began.

This unexpected end-of-year funding windfall helped close 2021 with more resources than anticipated and is allowing us to increase the impact of our 2022 TGT allocation. Our board of Directors approved a revised budget in January, allocating additional resources to our marketing and sales efforts to ensure that our end-of-year windfall was spent strategically to support EL's strategic initiatives and City of Lawrence's strategic outcome areas. We are also reorganizing our workload and hiring staff to increase efficiency in sales and marketing.

As you will see in the attached annual report, eXplore Lawrence still made progress in marketing Lawrence as a visitor destination and promoting our hotel and meeting assets to encourage overnight stays. Our sales team generated 60 leads for stakeholders and won 39 of those leads for 10,438 room nights booked in Lawrence and an estimated room revenue of \$1,659,642. Our marketing department launched a rebuilt and redesigned website, made possible by a grant from Kansas Tourism, that met our goals of creating a premier mobile-first website and increasing engagement and time on site.

Looking forward, we have set up a plan for continued success. I have included our multi-year Sales and Service plan and our Marketing plan for 2022 in the attachments to this letter. - The sales plan helps our sales team focus on what will move the economic impact needle for Lawrence by focusing on Sales goals and creating Service goals to encourage repeat business. Our marketing plan outlines the strategies and tactics we will employ to market Lawrence to visitors and locals and previews our new campaign, "Why Lawrence." "Why Lawrence" will resonate with locals and visitors and aims to share what makes Lawrence unmistakable thought short, authentic, candid video interviews with residents and stakeholders.

As Transient Guest Tax collections continue to recover and our hotel occupancy and revenue benchmarks meet or exceed 2019 levels, eXplore Lawrence will continue to lead the post-pandemic recovery of the visitor economy and grow the economic prosperity of all Lawrence hospitality, service, recreation, and retail businesses by promoting our unmistakable identity to visitors and locals.

Sincerely,

#### Kim Anspach

# Kansas Open Meetings Act or KOMA

## K.S.A. 75-4317 et seq.

### **EXPLORE LAWRENCE (CVB) GOVERNING BOARD**

## **Open Meetings Principle**

 The open meetings principle is based on the belief that the people have a right to know the public business; and

• Information is essential to the effective functioning of our democratic process.

## **Purpose of KOMA**

"In recognition of the fact that a representative government is dependent upon an informed electorate, it is declared to be the policy of this state that meetings for the conduct of governmental affairs and the transaction of governmental business be open to the public."

K.S.A. 75-4317 et seq.

## **KOMA Applies When**

- The body involved is a covered entity; and
- There is a "meeting."

## **Bodies Subject to the Act**

 Applies to all legislative and administrative bodies, state agencies and political and taxing subdivisions;

(including city advisory/governing boards and commissions)

• Which receive or expend and are supported in whole or in part by public funds.

## Meeting

- 3 conditions must be met for a "meeting" to occur. All 3 must be present:
  - 1. A gathering of a majority of the members of the body;
  - 2. Interactive communication in person, by telephone or any other medium; and
  - 3. Discussion of the business or affairs of the body.

## **1. Majority of Membership**

 For the seven (7) voting-member eXplore Lawrence Governing Board, a majority of the membership of the body is four (4).

## **2. Interactive Communication**

Act applies when there is "*interactive communication*..."

- clearly applies when members are in physical presence of one another;
- telephone calls, including conference calls;
- work sessions, staff briefings, video conferencing, online communications (when there is the opportunity for contemporaneous interaction)
# **3. Discussing the Business of the Body**

- **Discussion** of public business is what triggers the application of KOMA (a vote or binding action is <u>not</u> necessary for KOMA to apply).
  - Social gatherings are not subject to KOMA if there is no discussion of the business of the body;
  - Conferences may be attended by Board members where items of general interest are discussed as long as specific business of the body is not discussed by a majority of the eXplore Lawrence Governing Board.

### **Electronic Communications**

- The Attorney General has indicated that the mere fact that a communication is electronic does not raise a KOMA issue.
- If a majority of the body uses an electronic communication to engage in "interactive discussions" such contact <u>may</u> raise a KOMA issue.
- A single email sent to other members would likely not be considered a violation, but participation in an online chat room or instant messaging may be considered a violation of KOMA because of its interactive nature.

### **E-mails**

- Avoid initiating an on-line discussion with fellow advisory board members through email.
- You may receive emails about a city matter in which other advisory board members are also sent or copied on the email.
- Avoid the "REPLY ALL" function.

# **Serial Meetings**

A series of interactive communications of less than a majority is not permitted under KOMA. A violation of KOMA may occur if the communications:

- 1) Collectively involve a majority of the membership of the body;
- 2) Share a common topic of discussion concerning business or affairs of the body; and
- 3) Are intended by any or all of the participants to reach agreement on a matter that would require binding action to be taken by the body or agency.

### **Review: KOMA Applies When...**

- The body involved is a covered entity <u>and</u>
- There is a "meeting"
  - ✓ Majority of the membership of the body; and
  - ✓Interactive communication; and
  - $\checkmark$  Members discuss the business of the body.

### **KOMA Requirements**

• All meetings of entities covered by KOMA must be open to the public and proper notice must be given.

### **Meetings Open to the Public**

• Meetings must be held in places accessible to the general public.

 Meetings must be conducted so the public may observe or listen to the proceedings.

## Notice

Notice of the date, time and place of any regular or special meeting must be given to any person requesting such notice.

□KOMA does not require notice to be given within any particular time frame.

Notice must first be requested before a body is required to provide it.

### Agendas

- KOMA does not require an agenda be created.
  - If a body creates one, it should include the topics planned for discussion.
  - Agendas can be amended.
  - If agendas exist, copies must be available to those who request them.

#### **Executive Sessions**

- Meetings closed to the public (executive sessions) are permitted in limited circumstances.
- City boards should not have an executive session without the prior approval of the City Attorney's Office.
- Certain procedures must be followed, and only certain topics may be discussed.

#### Possible ramifications for violation of KOMA requirements

- The Attorney General or the District Attorney investigates potential KOMA violations.
- The Attorney General has stated that his office seeks compliance with the Act and his office wants to assure future violations do not occur. They may require the body to receive additional KOMA training.
- 2015 changes to the act provide the Attorney General with new enforcement authority and creates an Open Government Fund. The AG can determine by a "preponderance of the evidence" KOMA violations. If violations are found, the AG can enter into a consent order with public agencies and may apply to district court to enforce a consent order.

# The consent order may:

- Impose civil penalties up to \$250 / violation
- Require training
- District court action may impose court costs, investigative and attorney fees if the AG must enforce compliance through district court
- The AG may also enter into a consent judgment with a violator which may contain any remedy available to the court
- Invalidation of actions
- Removal from office (ouster or recall)

- Contact your staff liaison.
- You may also contact the City Attorney's Office at 832-3475.

Thank you for your attention to this important law!

#### <u>AGREEMENT</u>

THIS AGREEMENT is hereby made and entered into <u>DATE HERE</u> by and between the City of Lawrence, a duly organized municipal corporation, fiereinafter referred to as the "City" and eXplore Lawrence, Inc., hereinafter referred to as the "Contractor."

WHEREAS, on Replace with date of ordinance

WHEREAS, the City may, pursuant to the provisions of **STATUTE** enter into contracts to implement convention and tourism programs; and

WHEREAS, the City desires that some of the proceeds derived from the transient guest tax be used to contract for the implementation of convention and tourism programs within the City of Lawrence.

NOW, THEREFORE, IN CONSIDERATION OF THE MUTUAL COVENANTS CONTAINED HEREIN THE PARTIES AGREE AS FOLLOWS:

1. <u>PURPOSE</u>. The Contractor shall implement convention and tourism programs for the City in accordance with the performance indicators attached as *ExhibitA* which is incorporated herein by reference.

2. <u>TERM.</u> Upon acceptance of this Agreement by the City Manager, this Agreement commenced on DATE and will terminate on DATE (3 YEAR TERM)

3. <u>BUDGET AND PAYMENT.</u> The City shall remit to the Contractor seventynine percent (70%) of the transient guest tax funds collected on a quarterly basis; *provided, however,* that: (a) performance outcome reports, as specified in Section 5, are received; and (b) an accounting of the Contractor's expenditures at the end of each quarter is received (provided in budgetary format and in accordance with generally accepted accounting practices).

In the event that the City determines that the Contractor has not expended transient guest tax funds in accordance with this Agreement, the City may refuse payment or may offset the improper expenditure against future distributions due the Contractor. Neither the exercise of this remedy nor the failure to exercise this remedy shall limit or restrict the ability of the City to take other legal action to enforce its rights under this Agreement.

4. <u>BID FUND</u>. The City shall remit to the Contractor eleven Percent (10%) of the transient guest tax funds collected on a quarterly basis and said amount shall be deposited into a BID Fund to be used solely for the attraction of conventions and events to the City; *provided, however,* that each condition stated in Section 3 above is met.

5. <u>PERFORMANCE OUTCOMES.</u> The Contractor shall submit reports on a quarterly basis during the contract term; as well as a report covering the three-year contract term by DATE Such reports shall identify and quantify the performance indicators set forth.

6. <u>INSPECTION AND ACCESS TO CONTRACTOR RECORDS</u>. The City, through its authorized agents, shall be entitled to inspect and audit all books and records of the Contractor to ensure compliance with the terms of this Agreement. The Contractor shall cooperate fully with all such inspections or audit requests. The Contractor shall provide copies of its records to members of the public in accordance with the Contractor's Information Request Policy and Procedures, which is attached hereto as *Exhibit B* and incorporated herein by reference.

7. <u>TERMINATION.</u> Notwithstanding Section 2, either party may terminate this Agreement for no cause, upon sixty (60) calendar days' advance written notice; provided, however, that if the termination is based upon breach of a material provision of this Agreement, the party in breach shall be allowed a period of time not to exceed thirty (30) calendar days to cure the breach. Upon termination, the Contractor shall deliver to the City all transient guest tax funds in the possession of the Contractor after payment of all allowable expenses, including all items of tangible personal property purchased by the Contractor with transient guest funds which remain in the Contractor's possession as of the date of termination of this Agreement.

8. <u>INDEMNIFICATION AND INSURANCE</u>. The Contractor agrees to indemnify, save harmless, and defend the City from any and all claims, causes of action and damages of every kind arising from the operations and activities of the Contractor, its officers, agents and employees, carried out in furtherance of this Agreement. The Contractor shall carry commercial general liability in the amount of one million dollars (\$1,000,000.00); bodily injury insurance on all automobiles used in the operations embraced by this Agreement in the amount of two hundred thousand dollars (\$200,000.00) for each person and five hundred thousand dollars (\$500,000.00) for each occurrence; and property damage liability insurance in the amount of twenty-five thousand dollars (\$25,000.00) for each occurrence. The Contractor shall bear the cost of said insurance policies at its own expense. The Contractor shall also furnish, at its own expense, evidence of a satisfactory workers' compensation insurance policy covering all

of the Contractor's employees to the statutory limit. If the Contractor is not required to maintain workers' compensation insurance, the Contractor shall sign an agreement indemnifying the City from any and all liability which may arise as a result of the Contractor's failure to secure workers' compensation coverage. Should any insurance policy be cancelled, the Contractor shall ensure that the City is notified of such cancellation within ten (10) business days after the effective date of cancellation. All insurance policies shall name the City as an additional insured. A certificate of liability insurance demonstrating compliance with this section shall be filed with the City within ten (10) business days after the Agreement is signed by the City Manager.

9. <u>DEBTS TO CITY</u>; <u>SECRETARY OF</u> <u>STATE CERTIFICATION</u>. The Contractor shall not owe any debt due to the City, including, but not limited to property taxes and special assessments. The Contractor shall be in good standing with the Kansas Secretary of State and shall submit a certificate from the Secretary of State as evidence of this status.

10. <u>NO JOINT VENTURE; INDEPENDENT CONTRACTOR.</u> Nothing herein contained shall be construed or held to make the City a partner, joint venturer or associate of the Contractor in the conduct of its business, nor shall either party be deemed the agent of the other, it being expressly understood and agreed that the relationship between the parties hereto is and shall at all times remain contractual as provided by the terms and conditions of this Agreement.

11. <u>DISCRIMINATION</u>. The Contractor shall not unlawfully discriminate against any employee, applicant for employment, recipient of service or applicant to receive services because of race, color, religion, sex, age, disability, national origin, or any other class or status protected by law. The Contractor shall take affirmative action to ensure that employees, applicants for employment, recipients of service and applicants for service are treated equally and fairly without regard to their race, color, religion, sex, age, disability, national origin, or any other class or status as provided for by law. The Contractor shall, in all solicitations or advertisements for employees, or of services placed by or on behalf of the Contractor, state that all applicants shall receive consideration for employment or services without regard to race, color, religion, sex, age, disability, or national origin, or any other class or status as provided for by law.

12. <u>ADA COMPLIANCE.</u> The Contractor shall comply with Title II of the Americans with Disabilities Act (ADA) and the implementing regulations of 28 C.F.R. Part 35 as to all of its facilities and programs. If at any time during the term of this Agreement, the City determines that the Contractor is not in compliance, the City shall issue a notice of non-compliance and the Contractor shall have sixty (60) calendar days to cure the non-compliance. If the Contractor remains in non-compliance after the cure period, the City may terminate this Agreement.

13. <u>ASSIGNMENT.</u> The Contractor shall not assign any interest in this Agreement and shall not transfer any interest in the same, whether by assignment or notation; provided, however, that claims for money due or that become due to the Contractor under this Agreement may be assigned to a bank, trust company or other financial institution upon written consent of the City thereto.

14. <u>ENTIRE AGREEMENT.</u> This Agreement and Exhibits A and B constitute the entire agreement of the parties and supersedes any and all prior agreements between the parties. As such, neither party shall rely upon any verbal representations, either

express or implied, which are not specifically stated herein. This Agreement shall not be amended or modified except by written agreement of both parties.

15. <u>REPRESENTATIONS</u>. By signing this Agreement, the Contractor represents that the person signing this Agreement is authorized to execute this Agreement on behalf of the Contractor, and that the Contractor agrees to be bound by the provisions of this Agreement.

16. <u>NOTICES</u>. Any and all notices contemplated by this Agreement shall be given as follows:

TO THE CITY:

TO THE CONTRACTOR:

With a copy to the Board Chair

Such notices shall be given in writing and transmitted by U.S. Mail, postage prepaid; or hand delivered.

IN WITNESS WHEREOF, the parties have hereto executed this Agreement as of the day and year first above written.
