2. Finance Report - Kim

- Kim reviewed the budget and clarified a few entries that required minor adjustments
- Keeping in line with reduced income. Running about \$103,500 lower than anticipated at this point.

3. Staff Reports

- Kim shared Strategic Plan document
 - o TGT revenue is up by %15.09 YTD and 161.28% for Qtr2
 - o Relaunch Partner Portal in July was successful
 - Web site is also up and staff continues to make adjustments and improvements according to usage
- Visitor Center

Sales Report

Various meetings

- KU meeting spaces
- Jayhawk Experience/tailgating options and tours
- Working with Brandy at Parks and Recreation on updating event contracts tiered structure for cancellations

Ivan asked about the KC Prenationals volleyball tournament cancellation and whether that weekend has been rebooked. Kim said not yet but they are working on it.

Peter asked about discussions with KU Athletics and partnering on facilities that might be available for other events. One challenge is practice schedules with limits availability to holidays. Slow progress and the discussion continues.

- Marketing
 - o Web site
 - Rebrand and relaunch with partner portal in July
 - Data driven content
- 4. Executive Director Report
 - John Brown exhibit starts September 3
 - Working with hotel partners
 - Sept. 9 & 10 private showings
 - Met with Taylor at SPL
 - Kiosk at visitor center doesn't get used with live staff, asked about moving it to SPL which was agreeable
 - Accounting RFP is finished. Plan to send on Friday with a September 10 due date.
 - Met with Heidi and Ivan RE Meeting Max online product to reserve room blocks
 - From an ROI perspective, not supporting staff -- creates double work, and creates a potential management problem as hotels sometimes double book. There are also pros: good data, pick-up numbers, etc. Helps with decisions going forward and incentives. Renewal is coming up for \$1,500. Considering not renewing and going back to prior ways working directly with hotels and using web booking links. Requires a \$5,000 set-up fee to restart if we decided to in the future.
 - TGT Grant Advisory Board is preparing to meet. Looking for an eXplore Lawrence
 - representative. Kim proposed that she could serve on the board. Porter will explore whether the director of EL can serve on the board.
 - Exploring an internship program for communications staff support
 - Judith Gibb from Haskell invited staff to welcome new Haskell students. Staff attended and passed out guides and helped with welcoming.

5. Budget Update

• STR report is looking more positive and TGT funding is looking favorable but it is still lower than in years past. Kim is working with Finance regarding the 3rd quarter payment and developing a proposal. Will have to review the budget to determine needs and where there can be reductions.

Peter asked about the City Commissioner's comments last month about having reserve funds and how that effects their decision making on budget.

Kim explained that there are emergency and EIDL funds which the board would have to approve.

Kim is looking into whether ARPA funds can be used to replenish TGT funds.

Kim continues working with Finance.

Motion to Adjourn

Action: Peter moved; Jamie seconded – Approved Unanimously

Meeting Ended at 4:20 p.m.

Next meeting September 15, 2021 - 3:30 p.m.

Visitors Center Report

Overview

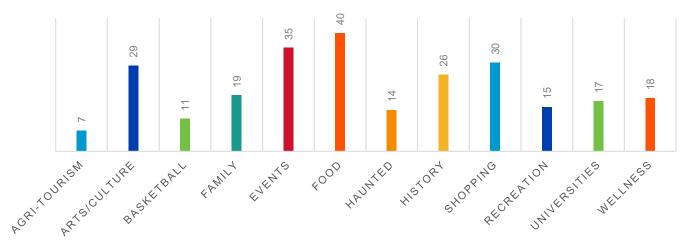

August brought students back as well as some out of town visitors. We had 764 visitors come in during the month. People have been getting really excited about the new John Brown exhibit at the Watkins and the Live on Mass events occurring. MeetingMax has slowed down a bit but I am continuing to work on servicing groups and assisting on the Partner Portal.

Visitor Interests

Number of Items Sold

Still continuing with the large amount of visitors coming in, we are steady with our sales. Magnets were the 2nd most popular item for August, postcards are still the most popular. We have plans to order more postcards that are under the Unmistakably Lawrence brand. We will also be ordering more T-Shirts and Stickers as well.

I continue to assist with helping business' and attractions with their listings on our website through the Partner Portal. Now that we are continuing our tutorial videos, we are seeing people continue to reach out for assistance in setting their account up.

We had another Final Friday event with Fally Afani. With it we displayed photos of local music artists in the community. We have had many people come in to view the photos.

I have also been taking on the task of making the weekly videos of things to do that we post on our social media pages.

We have had quite a few orders of products in the August. Everything from smaller events, to re-supplying the library with our materials. Servicing has continued to be a focus of mine with one of the groups being the Kansas Dental Association. I have organized a progressive dinner for them that will take place in September. I helped gather materials and organized catering for the Kansas Department of Aviation for an event that is also taking place in September.

Jess has been hard at work at adding events as well as mailing out a mass amount of Visitors Guides. She has also been amazing in handling the plumbing issues we have been having over the weekends. (They have since been fixed)

KCAC Women's Golf Tournament- Kendra is working on a bid for the KCAC Women's Golf tournament for '22, '23, & '24 here in Lawrence. Kendra is working with the Jayhawk Club on the proposal.

HOA Meeting- Explore Lawrence, Parks and Rec met with HOA to discuss the upcoming season for HOA at SPL for '22 and beyond. The discussion of past weekend tournaments and how the local regional teams are driving away overnight stays. HOA hope to bring more 2 day-weekend tournaments which would pull out of state clubs/teams to Lawrence. In hopes to build back these overnight stays as the pandemic recovery begins. HOA shared the '22 calendar and discussed hotel contacts in Lawrence. HOA has a new housing contact for '22 and is unfamiliar with the contacts in Lawrence. Kendra is assisting the HOA contact with making introductions to hotel contacts he has not connected with in Lawrence for team LOAs.

BWR Kansas- Explore Lawrence Sales and Marketing met with Joe and staff from Sunflower Outdoor & Bike to discuss the registration status and projections for the upcoming race. With COVID still being unpredictable, many registers are waiting to the last minute to book. This will probably be the case for the October race. Especially since majority of the spike cases are in the Midwest area. In addition, with Lawrence being a new race location, many travelers are waiting to see how things shake out. Marketing is using the zip codes to target market and push out the website to ensure out of town registrations see our local attractions and want to extend their stay in Lawrence past the race dates. Kendra shared the updates on the hotel room nights booked and discussed on how to push registration to the hotel-booking page with MMX. Joe was going to ensure the hotel link was more visible on the registration-landing page.
