

Sensory Signals

McCormick Springs Education Center

Notes

- Bathrooms are always open, even if Education Center is not
- In the pavilion outside of the Education Center, there are accessible picnic tables

Elsewhere in the park:

- Historic Cabin: natural roof can give off smells when it rains
- Bench seating throughout park
- Majority of trail loop is paved; one section is fine dirt, but still accessible
- Side paths are mulched; may be difficult to access for mobility devices
- Some ambient industrial sounds and smells in park
