On a dark and cold December night,  
The Lincoln Imp took off in flight.  
With a cheeky grin and a snowflake spell,  
He froze the city, and froze it well!  
The streets turned icy... the statues too...  
He cackled, "Now what will they do?"  
But magic melts when children are near  
Your help is needed now, right here!  
So, find each sculpture, one by one,  
And help bring back the joy and fun.  
Together we can save the day...  
And chase the frosty Imp away!

The imp has frozen Lincoln!  
Pick up one letter from each sculpture  
and solve the puzzle to save the city!
