The new Tesla Centre Lincoln is offering free, stylish, electric transport to whisk visitors between the top and bottom of the trail during the event. Simply head to the pick-up and drop-off points at City Square and Minster Yard (outside the Cathedral). No need to book - just arrive and hop into one of the sleek Tesla electric cars (queue times may vary) for a short ride up or down the hill during the festival opening times! However, please note that this service may not be suitable for wheelchair users or for families with children who require a car seat.

We anticipate that Thursday early evening will be a quieter time to visit the event.

Dogs on leads are welcome at all installations.

The following installations may have queues: Swing Song, Bath House Water, Shadowplay, Shadow Dance, and Chroma.

Installations with visual only elements are The Bright Side trail.

During the event, our friendly Event Hosts at the Information Points on Castle Hill and Cornhill will be happy to help with any accessibility queries.

We look forward to welcoming you to the event in Lincoln on 20 & 21 February 2025, 5:30pm-9:30pm.
