

WELCOME TO

See hidden corners of Lincoln city centre shining bright with messages of joy and hope. The Bright Side will illuminate secret spaces from Cornhill to Steep Hill with messages of positivity from the local community as we inspire each other to shake off the darkness of winter and celebrate together.

A gentle unfolding into Spring

*Let spring dawn like a blackbird's soft song.
And even though the daffodils and snowdrops don't last for long.*

*If you should need to awaken gently from winter's night,
To linger a little longer in cosy frost-edged delight.*

*Then there's no need to rush or to race.
You're allowed to blossom and bloom at your own pace*

*And when you're ready, slowly open your window and see
How spring is all it promised to be*
