KINETIC LIGHT: DESCENT

7:30pm Sat.; See website for ticket prices

DESCENT gives the mythological characters of Venus and Andromeda new life as interracial lovers. The sensuality of this work is palpable, and risk is interwoven throughout as wheelchair wheels fly precariously at the edge of the ramp. *DESCENT* explores the pleasures of wheeled movement and reckless abandon. Combining dance, architecture, design and technology, this evening-length work challenges cultural assumptions of what disability, dance and beauty can be. This event is at Lied Center for Performing Arts, located at 301 N. 12th Street. For more information call (402) 472-4747 or visit www.liedcenter.org.
