LOS CABOS

ARRIVALS/DEPARTURES PROTOCOLS

ARRIVAL PROTOCOLS — 3 STEPS TO LOS CABOS

There are new entry requirements due to COVID-19 health and safety protocols. Complete these three easy steps before you board your plane.

01 Fill out the risk factor questionnaire
Complete the Questionnaire of Identification of Risk Factors in Travelers form – the Federal Aviation Agency requires you to present it upon arrival. Once the process is completed please save the QR code that will appear. You'll need to present the QR code to the federal agents at the security gate.

DEPARTURE PROTOCOLS — 4 STEPS TO DEPARTURE

Because of new health and safety requirements due to COVID-19, you must complete these four steps in order to depart from Los Cabos.

01 Fill out the risk factor questionnaire
Just like when you arrived, the Federal Aviation Agency requires you to complete and present the Questionnaire of Identification of Risk Factors in Travelers form in order to depart Los Cabos.
Once the process is completed please save the QR code that will appear. You'll need to present the QR code to the federal agents at the security gate.

02 Get a negative COVID-19 test result and fill out attestation form
All airlines are required to confirm a negative test result for all passengers returning to the U.S. Your test must be taken within 72 hours before your flight. You'll need to submit this to your airline either online or in person.

Submit an attestation (written documentation) to the U.S. Government, through your airline, that you are COVID-19 negative or have recently recovered from COVID-19. Each passenger will be required to submit a form within 72 hours of your flight.
