# ABOUT LOS CABOS

Located at the tip of the Baja Peninsula, Los Cabos is made up of two cities, San Jose del Cabo and Cabo San Lucas, joined by a 20-mile corridor. Boasting a dramatic desert backdrop nestled by coastlines of the Pacific Ocean and Sea of Cortes, it's home to award-winning resorts and culinary offerings, championship golf courses, celebrated spas, world-renowned sport fishing tournaments, and state-of-the-art convention facilities are among the unmatched resources of this destination.

The collection of over 80 resorts available in Los Cabos, with more than 18,000 rooms, offer high quality accommodations with All Inclusive or European plans, allowing travelers to choose from a more traditional concept to the most modern and luxurious.

The amazing Sea of Cortes, named "The Aquarium of the World" by Jacques Cousteau, invites visitors to partake in many adventures, such as a boat trip to "The Arch," a rock formation in the shape of a giant, striking arch.

When you add in the chance to kayak, snorkel and stand up paddle, the experience is unforgettable. The camel adventure is another great activity that allows travelers to take a walk in the desert along the sea. Your trip will be a success when you swim with dolphins, take surf lessons, come close with whale sharks, and so much more.

## FISHING IN LOS CABOS

Los Cabos is known as the Marlin Capital of the world. What used to be a remote coastal village, an aquatic gem at the end of a long desert highway, is now an easily accessible fishing destination open to anyone wishing to get a taste of world-class angling.

## GOLFING IN LOS CABOS

Los Cabos is the mecca for championship golf in Latin America, with courses designed by the "who's who" of course design, including; Roy Dye, Robert Trent Jones II, Jack Nicklaus, Tom Fazio, Greg Norman, Tom Weiskopf and most recently, Tiger Woods.

Boasting more than a dozen golf courses currently open for play, and a few more on the drawing board, the destination continues to dominate as the top golf destination in Latin America – an unofficial crown it has worn for more than a decade.
